

“Hey Alexa!”

Abbotsford Waste Wizard is now available on Amazon Alexa.

Log into your Amazon account, search Abbotsford Waste Wizard, and download the app to your Amazon Alexa smart speaker.

Then, ask Alexa what goes where.

Download it for free today!

WASTE REMINDERS FOR

COVID-19

To help prevent the spread of COVID-19 and protect our waste collection staff, please remember:

Bag and securely tie all garbage.

Do not place loose items in curbside garbage containers. Containers with loose items will not be accepted. Everything needs to be bagged.

Paper towel, napkins and facial tissue are currently not accepted in compostable waste.

Please dispose of these items with your regular garbage.

Curbside collection services are continuing as scheduled.

Find out how to properly dispose of items through the City's Waste Wizard tool at abbotsford.ca/wastewizard.

You can look up recycling and disposal options for hundreds of items!
