

**Looking for ways to lower your water bill? Get started with a free irrigation & landscape assessment!**

# **IRRIGATION & LANDSCAPE**

## **Water Efficiency Program**

**Learn how to make your landscape more water efficient.**

**PLUS** if you convert 50% of your landscape to waterwise plants and/or amend your soil to improve water efficiency you will be eligible for a **\$250 rebate** when you spend \$500 or more.\*

Or you can receive a **\$250 rebate** for a climate-based irrigation controller when installed by a Certified Irrigation Contractor.\*

\*You must sign up for an assessment before applying for the rebate. Funding is limited and based on first come, first served.

# NATIVE PLANT SALE

**Did you know that fall is the best time of year to plant trees and shrubs?**

Native plants conserve precious drinking water and provide food and habitat for wildlife.

The Fraser Valley Conservancy is selling a wide range of native plants, selected especially for your neighbourhood. These plants are hard to find at retail nurseries.

Go online to get ideas and place your order:

**[www.fraservalleyconservancy.ca/plantsale](http://www.fraservalleyconservancy.ca/plantsale)**

Don't miss out on this chance to help the planet while creating a beautiful low maintenance backyard you can enjoy next summer!

**Orders must be completed by Monday, October 12th and your plants will be ready for pick-up Saturday, October 17th, in West Abbotsford.**
