**ABBOTSFORD**

The background of the entire page is a repeating pattern of white line-art icons on a green background. The icons include various styles of trash bins (some with wheels, some without), recycling symbols (a triangle of arrows), and bags of trash.

# 2024

## Curbside Collection Guide

This guide is for all single-family homes and duplex residences that receive curbside collection in the City of Abbotsford.

The City collects residential waste at the curb in three streams, recycling, garbage and compostables. Carts are provided for each stream.

All the information about acceptable material and sorting is provided in this guide. Your 2024 collection schedules start on page 14, or you can download a printable copy at [www.abbotsford.ca/collectionschedule](http://www.abbotsford.ca/collectionschedule).

Additional waste sorting information is provided on the city's website at [www.abbotsford.ca/waste](http://www.abbotsford.ca/waste).

You can reach us at [sortyourwaste@abbotsford.ca](mailto:sortyourwaste@abbotsford.ca) if you have a question that is not addressed in the guide.

Thanks for rolling with us, Abbotsford!

**DID  
YOU  
KNOW?**

The City of Abbotsford provides automated cart-based collection for 26,500 single family homes and duplexes across the City.

**IN 2023:**

**61%**  
Diversion  
Rate

**4,600**  
TONNES

**13,000**  
TONNES

## Recycle Right and Get a Star

### Curbside cart audits are now in progress!

City staff will be visiting neighbourhoods on pick-up day to check out carts in an effort to reduce our recycling contamination.

**Earn a star sticker** for your blue recycling cart by including **ONLY** acceptable materials in your cart. Scan the QR code to win prizes!

# Carts

## Sort it Right

Separate your waste into one of these waste streams.

### RECYCLING

Containers, newspapers, packaging and paper products. **Collected every other week.**

### COMPOSTABLES

Food scraps, food-soiled papers and yard trimmings. **Collected weekly.**

### GARBAGE

Waste that can't be composted or recycled. **Collected every other week.**

### DROP OFF

Materials accepted at recycling depot, transfer station or other drop off location .

## Cart Sizes & Types

Carts are available in three sizes for recycling, compost and garbage collection. Bear-resistant carts can also be requested but are only available in the 240 L size.

**Requests to change existing carts are only accepted once in any 12 month period for any property. Please note that cart size, number or type may affect your annual solid waste user fees.**

**Visit [abbotsford.ca/carts](http://abbotsford.ca/carts) for more information.**

## Missing or Damaged Carts

To request a replacement or to report a lost or stolen cart, call 604-864-5640 or visit [abbotsford.ca/service](http://abbotsford.ca/service).

## Moving to a New Residence

Please use the carts that are already at your property. If there are no carts when you move in, or you are moving into a newly constructed home, please contact us at 604-864-5640 or [carts@abbotsford.ca](mailto:carts@abbotsford.ca)

**WRITE YOUR ADDRESS HERE**

## Keep Track of your Carts

**Label your carts with your address.** Use a permanent marker to write your address in the white space.

**Record your serial number.** On the right side of your carts there is a serial number that is unique to identifying your cart. Record this number and keep it for your records.

**These carts are the property of the City and are micro chipped with your address.**

# Cart Tips

**1** What's in your recycling cart matters!

Do not include stretchy plastics, foam packaging, glass, books, or other items that are not accepted in the recycling program. These unacceptable materials may result in your cart not being collected.

**2** DO NOT Bag recyclables.

All items must be placed loosely inside your blue recycling cart.

**3** Flatten, crush & compress!

Flattening cardboard and crushing & compressing items before placing them in the cart will help you fit more material inside the carts.

**4** Do not overfill your carts!

Overflowing carts cannot be collected. The lid must be completely closed.

**5** Do not pack down waste.

Tightly packed material inside your carts may get stuck and not empty properly.

**6** Reduce your packaging.

Buying in bulk, using reusable containers, choosing items with less packaging, and reusing items will help decrease the amount of material you need to manage.

**7** Know what goes where!

Use the Waste Wizard to look up disposal information for hundreds of items! Access the Waste Wizard through the Abbotsford Curbside Collection App or visit [abbotsford.ca/wastewizard](http://abbotsford.ca/wastewizard).

# Using the Carts

**1**  
**POINT IT**

Place the carts so the arrows on the lid point toward the street and the wheels are against the curb.

**2**  
**SPACE IT**

Make sure your carts are placed correctly on the street and are **one metre apart**. There should be at least 1 meter of space on all sides of each cart.

Carts should be 1 metre from parked cars, utility poles, basketball hoops, fencing etc.

Ensure at least 3 meters of clearance is above each cart.

**3**  
**REMOVE IT**

Remove empty carts from the curbside after they have been serviced and securely store them on your property.

## QUICK TIP

For more cart placement examples visit [abbotsford.ca/waste](http://abbotsford.ca/waste)

Set your carts out at the curb by **7:00 am** on your collection day. Do not place your carts out the night before collection.

# Cart Placement

Putting your carts out the right way on collection day ensures your carts can be collected safely and on schedule. The placement of carts is very important because the automated truck's mechanical arm needs sufficient room to pick up and empty the cart.

## Ensure 1 m (3 ft) between carts.

Carts placed too close together cannot be collected.

## QUICK TIP

One metre is approximately an arms length.

## Ensure at least 1 m (3ft) in between parked vehicles and carts.

Carts placed too close to vehicles cannot be collected.

## Ensure carts do not block a sidewalk or bike lane.

Sidewalk and bike lane access needs to be kept clear at all times.

## Ensure at least 1 m (3 ft) clearance from any basketball hoop, utility pole, street light, fence, etc.

# Recycling

## ✓ Accepted in Blue Carts

 Mail, envelopes & office paper	 Magazines, catalogues & phone books	 Newspapers & flyers	 Box board packaging	 Pizza boxes (clean boxes only)
 Molded box board	 Paper products (party decor, gift bags, gift wrap & boxes)	 Frozen dessert boxes		
 Plastic bottles	 Corrugated cardboard (flattened to fit)	 Gable-top & tetra containers	 Aluminum foil & pie plates	 Metal cans & tins
 Empty aerosol cans	 Caps, tops, lids & pumps	 Plastic drink cups & lids	 Plastic cutlery & straws	 Disposable plastic hangers
 Plastic containers (jars, pails, pots, clamshells & takeout food containers)			 Refundable beverage containers	

**Best if taken to the Depot!**

## ✗ Not Accepted in Blue Carts\*

 NO glass	 NO plastic bags	 NO Styrofoam or foam packaging	 NO chip bags & wrappers	 NO stretchy plastic or plastic wrap
 NO hazardous waste	 NO soft or hard cover books	 NO plastic toys	 NO paint & oil containers	 NO Black garbage bags or blue recycling bags

\*Unacceptable materials in your blue cart may result in your cart not being collected or a fine issued under the City's Solid Waste Management Bylaw, 3114-2021.

# Contamination

Unacceptable material, like plastic bags, garbage, compost, and hazardous materials (batteries, propane canisters, medical sharps/needles), can lead to unsafe conditions for workers, cause damage to sorting machines, and diminish the quality of material and the ability to recycle it. Even packaging with some product residue contributes to contamination, so give your containers a quick rinse before placing in your cart.

## How to reduce your contamination:

**1**  **Wash, clean & dry your recyclables before placing them in the blue cart.**

**2**  **Do not bag recyclables. Place items directly into the blue cart.**

**3**  **Keep items soiled with food, grease and liquids out of the blue cart.**

**4**  **Use the Waste Wizard look up tool if you are not sure where an item should go. The Waste Wizard is available online at [abbotsford.ca/wastewizard](http://abbotsford.ca/wastewizard) or on the free Abbotsford Curbside Collection app.**

## QUICK TIP

**Sort waste properly!** If too much of the wrong material is placed in your recycling cart, your cart may not be collected. Including unacceptable material in your recycling cart can also be subject to penalties under the City's Solid Waste Management Bylaw, 3114-2021

## How to prepare your recyclables:

Remove lids

Flatten material to save space

Place items loose in the cart

Place shredded paper in a paper bag or box

# Depot Recycling

These items are not accepted in the curbside collection program and can be dropped off for free at a recycling depot or other drop off location. Find depot locations at [abbotsford.ca/wastewizard](http://abbotsford.ca/wastewizard).

Glass (bottles & jars)

Foam packaging (foam meat trays, take out containers, cups and cushion packaging from electronics)

Plastic bags (grocery bags, blue recycling bags & vacuum seal bags)

Plastic net packaging

Crinkly wrappers & bags

Stand up zipper lock pouches

Plastic wrap & overwrap

Flexible packaging with plastic seal

Sandwich & freezer bags

Cooking oil

Paint & spray paint

Solvents, flammables & pesticides

Batteries

Lighting & light strings

Light bulbs

Thermostats & smoke alarms

Small electronics & cell phones

Scrap metal

Medications & sharps

Small appliances & power tools

Tires

Beverage containers

Squishy cushion packaging & bubble wrap

Large appliances

Exercise machines

Outdoor power tools

Propane tanks

Plastic drop sheets or covering

## QUICK TIP

Hazardous materials like batteries and propane tanks can cause fire or explosion when placed in curbside recycling. Ensure these items are **ALWAYS** taken to a depot for safe recycling.

# Compostables

## ✓ Accepted in Green Carts

Meat, bones  
& fish

Bread & baked  
goods

Pasta & grains

Dairy products

Paper bags  
& liners

Fruits  
& vegetables

Eggshells, eggs  
& nutshells

Coffee grounds &  
filters, tea bags

Plate scrapings

Salad & dressing

Single-use wooden items  
(Popsicle sticks, toothpicks,  
chopsticks & cutlery)

Condiments,  
sauces, gravy  
& jam

Food  
contaminated  
paper

Small amounts  
of cooking oil or  
grease absorbed  
in paper

Pizza box  
(soiled)

Grass clippings,  
leaves & weeds

Branches

### QUICK TIP

For tips on how to keep your kitchen container and green cart clean visit [abbotsford.ca/carts](http://abbotsford.ca/carts).

## ✗ Not Accepted in Green Carts\*

**NO** plastic bags  
(even biodegradable or  
compostable plastic)

**NO** pet waste  
or kitty litter

**NO** diapers

**NO** sanitary wipes  
or cleaning wipes

\*Including unacceptable materials may result in your cart not being collected or a fine issued under the City's Solid Waste Management Bylaw, 3114-2021.

# Garbage

## QUICK TIP

All material must be placed in the cart with the lid closed. Overflowing carts and material placed outside the carts will not be collected.

## Accepted in Grey Carts

6 pack ring from  
canned beverages

Broken ceramics  
& glassware

Cigarette butts  
& ashes

Diapers  
(bagged)

Dryer lint and  
dryer sheets

Baby wipes  
& cleaning wipes

Vacuum cleaner  
bags & contents

Plastic hangers

Kitty litter & pet waste (bagged)

Plastic toys

PVC/vinyl  
(PVC pipes &  
vinyl siding)

Compostable or  
biodegradable  
plastic bags

Cotton balls,  
swabs, dental  
floss & sanitary  
products

Disposable masks  
& gloves

Plastic  
toothbrushes &  
toothpaste tubes

## QUICK TIP

Many items can be dropped off for reuse or recycling instead of being thrown away. Consider offering the items to friends and family, or listing on Facebook Marketplace, Craigslist, Freecycle or Kijiji. Do your part to help reduce the amount of waste going to landfill!

# Wildlife & Waste

## Coexisting with Wildlife

Many wildlife encounters in Abbotsford can be prevented by responsibly managing waste and other attractants. Wildlife sightings and encounters with bears, cougars or coyotes should be reported immediately to the Conservation Officer Service reporting line at 1-877-952-7277.

## How to Manage Garbage and Food Scraps

**REDUCE IT** – The best way to deal with garbage is by not creating it in the first place. Preventing garbage and food waste helps minimize the volume of material you need to manage.

**STORE IT** – Keep curbside materials indoors or in a secure location until the morning of collection.

**FREEZE IT** – To help reduce odours, freeze food scraps until your collection day. You could also try wrapping food scraps in newspaper or paper bags to minimize odours and mess.

**CLEAN IT** – Rinse or wash your cart after pick up with mild detergent or vinegar. This will help to reduce odours.

## How to Manage Other Attractants

Remove outdoor  
fridges and  
freezers

Always keep pet  
food indoors

Remove bird  
feeders  
April - November

Pick fruit as soon  
as it's ripe

Clean barbeques  
after each use

Compost  
responsibly

### QUICK TIP

Keeping the community safe is a shared responsibility! For more information on how to reduce human-wildlife conflict visit [wildsafebc.ca](http://wildsafebc.ca) or check out [abbotsford.ca/wildlife](http://abbotsford.ca/wildlife).

# 2024 COLLECTION CALENDAR:

City Collection

Find the coloured zone where your home is located. Follow the colour-coded calendar for collection days.

 Garbage is collected on days with a circle.

 Recycling is collected on the days with a square.

**Compostables** are collected every week.

There is no collection on statutory holidays, identified by the gray boxes.

Wizard!

ਇਹ ਜਾਣਕਾਰੀ ਬਹੁਤ ਜ਼ਰੂਰੀ ਹੈ। ਕ੍ਰਿਪਾ ਕਰਕੇ ਕਿੱਸੇ ਕੋਲੋਂ ਇਸਦੀ ਟਰਾਂਸਲੇਸ਼ਨ (ਅਨੁਵਾਦ) ਕਰਵਾ ਲਵੋ। ਉਨੁਵਾਦ ਕੀਤੀ ਗਈ ਜਾਣਕਾਰੀ [abbotsford.ca/collectionschedule](http://abbotsford.ca/collectionschedule) ਤੇ ਉਪਲਬਧ ਹੈ।

# Important Information

## Excess Waste

Have excess waste? Visit [abbotsford.ca/excesswaste](http://abbotsford.ca/excesswaste) for options on how to manage your extra recycling, compost or garbage!

## Missed Collection

### Common reasons why your cart was not collected:

- Cart was not at the curb by 7:00 am
- Cart was overflowing or did not have a closed lid
- Unacceptable materials were placed in cart
- Waste was not fully contained within cart
- Access to cart was blocked by a parked car, utility pole, or other obstruction
- Cart was placed too close to another cart, parked car or other obstruction
- Waste was not sorted correctly
- Clips on a bear-resistant cart were not unclipped

### If none of those reasons apply, you can report a missed collection through any of the following methods:

- **Website:** [abbotsford.ca/service](http://abbotsford.ca/service)
- **City Services App:** @Abbotsford

## Collection Services in Snow & Ice

Providing service is our top priority, but curbside collection may be disrupted during snow and ice conditions. If this occurs, the Abbotsford Curbside Collection App is the best source of information about collection-related news. The App is free to download to any smart device from the App Store or Google Play (see QR Code on back page). A collection advisory is also posted on the City's website at [abbotsford.ca](http://abbotsford.ca) for any updated collection delays or cancelled service.

## Holiday Waste Reduction

Seasonal holidays such as Halloween and Christmas bring fun and joy but often produce a large amount of waste. From carved pumpkins to wrapping paper, learn how you can reduce waste during the holiday season.

Get tips on waste reduction at [abbotsford.ca/reducewaste](http://abbotsford.ca/reducewaste).

Never miss a collection day! Download the free **Abbotsford Curbside Collection app** to get collection day reminders and service alerts.

[abbotsford.ca/waste](http://abbotsford.ca/waste)
