## **CURBSIDE COLLECTION**

### **CONTAINERS must be 80L or less**

Cans must be designed for curbside collection to ensure safety and efficiency.

- Maximum Can Size: 80L (18 gallons).
- Cans greater than 50L must have 2 graspable handles.
- Cans less than 50L must have 2 functional handles. One handle must be graspable.
- Container height must be between 56cm and 76cm (between 22 inches and 30 inches).
- All cans must have a water tight lid.

**These containers shown below are NOT APPROVED for curbside collection. If they are at the curb they may not be collected.**

### **Oversize cans**

Cans larger than 80L.

### **Wrong Handles**

Cans over 50L, without two graspable handles.

### **Kitchen Collection Buckets**

Cans less than 56cm (22 inches) in height and not designed for curbside collection.

### **Mini Garbage Cans**

Cans less than 56cm (22 inches) in height and not designed for curbside collection.
