## Motorists and Cyclists Advised to Use Extra Caution

**Abbotsford, Saturday, January 10, 2009** - The City of Abbotsford is urging all residents to be aware of the increased level of potholes and to use extra caution when traveling on roadways.

As a result of recent weather conditions a significant number of potholes are occurring on Abbotsford roadways. City crews are repairing potholes as they become known however, it may take weeks for all potholes to be noted and repaired. Priority will be assigned to large potholes on major routes.

Residents can assist the City by reporting potholes to the Operations Yard at 604-853-5485 or via email at [eng-info@abbotsford.ca](mailto:eng-info@abbotsford.ca).

Information on current road conditions and tips on winter driving can be found on the Drive BC website at [www.drivebc.ca](http://www.drivebc.ca).
