Information on Water Conservation and Restrictions

Abbotsford – April 29, 2010 – Join the City of Abbotsford at Homestead Nurseryland on Saturday for information on water conservation and restrictions as well as tips and tricks for keeping gardens green this summer.

Event: Grow Green this Summer

Location: Homestead Nurseryland, 31888 Marshall Road

Date: May 1, 2010

Time: 12:00 p.m. to 3:00 p.m.

EVENT DETAILS

Experts in water conservation, lawn and plant care and landscape design will be on hand to offer environmentally friendly tips and products to make outdoor spaces bloom.

Also available will be the City of Abbotsford's Val-E-Gro™ soil and plant medium. Val-E-Gro has been specially formulated from biosolids, bark mulch and sand to meet coastal BC's Horticulture and landscape standards. It provides water holding capacity in the summer and superior drainage in the winter. This environmentally friendly nutrient rich soil is ideal for any gardening or landscaping project. For more information on Val-E-Gro soil, visit www.val-e-gro.com.

City of Abbotsford rain barrels will also be available for purchase at Homestead Nurseryland at a \$20 discount from 12pm to 3pm. Rain Barrels can also be purchased at the Recycling Depot, 33670 Valley Road at the regular price of \$57 and include a 200 litre barrel with a downspout converter kit.
