### **Extreme Fire Danger**

## **Temporary Park Closure Notice effective Saturday, July 18, 2015.**

Due to extreme fire danger, Sumas Mountain Interregional Park will be closed to the public as of 7 a.m. on Saturday, July 18.

Sumas Mountain Interregional Park is co-managed by Metro Vancouver and the Fraser Valley Regional District. The western and southern park flanks are within the City of Abbotsford where Metro Vancouver provides regional park services; the eastern portions including Chadsey Lake are outside the city boundary, and are managed by the Fraser Valley Regional District. The City of Abbotsford Fire Department supports the closure due to the extreme fire hazard. Park staff will be patrolling the park to inform members of the public that the park and fire risk and will ask them to leave.
