Fire Crews Rescue Dog from House Fire

ABBOTSFORD, BC: July 13, 2016 –Abbotsford Fire Rescue Service responded to a structure fire at 35206 Laburnum Avenue during the night on July 12, 2016.

Upon arrival AFRS teams found smoke and flames coming from the home. Crews immediately made an aggressive interior attack on the fire and prevented it from spreading to adjacent homes.

AFRS was informed that the family dog was still inside the burning home. Crews were able to find and rescue the unconscious pet from the fire. The dog was revived and given medical aid and oxygen and then taken to the vet for treatment of smoke inhalation and burns to its front paws.

The upper floor of the house received extensive fire damage. Fire investigators are still determining the cause of the fire.
