Fire Crews Respond to Commercial Building Fire

ABBOTSFORD, BC: March 31, 2017– On Friday, March 31, 2017, at 1:18 am, the Abbotsford Fire Rescue Service (AFRS) responded to a report of a commercial building fire at 31236 Wheel Ave.

On arrival, AFRS crews found a multi-unit industrial building with heavy smoke exiting the garage doors and soffit areas of one unit. The buildings had no occupants.

AFRS crews initiated an interior attack on the fire. The fire was contained in a transport truck and was brought under control, stopping the fire loss at the one unit. The two adjacent units suffered heavy smoke and water damage.

Thirteen AFRS units and approximately forty-six firefighters attended the incident. The Abbotsford Police Department, BC Hydro, Fortis, BC Ambulance and ESS also assisted on the scene. There were no injuries.

The cause of the fire is unknown at this time, and AFRS fire investigators are on scene.
