## Fire Crews Respond to Barn Fire

**ABBOTSFORD, BC: August 23, 2017**– On Wednesday, August 23, 2017, at 7:12am, Abbotsford Fire Rescue Service (AFRS) responded to a report of a barn fire at 280 McCallum Road.

On arrival, AFRS crews found a 60 foot by 60 foot structure fully engulfed with fire.

Fire crews initially focused on keeping the fire from spreading to adjacent structures and once additional AFRS resources arrived, the fire was brought under control. The main building that was on fire was a total loss, however, all adjacent structures were saved.

Ten AFRS units and approximately thirty-five firefighters attended the incident. APD, BC Hydro, Fortis and B.C. Ambulance were also on the scene. There were no injuries to any civilians or Emergency Services personnel and no animals on the property were affected.

The cause of the fire is unknown at this time. AFRS fire investigators are currently on the scene.
