MESSAGE FROM THE MAYOR

On behalf of Abbotsford City Council, I am pleased to present the 2016 Annual Report, highlighting the work that is happening at the City.

Council has a strong strategic plan that envisions Abbotsford as the Hub of the Fraser Valley. All of the work we do at the City is guided by this vision and connected to four supporting cornerstones: Vibrant Economy, Complete Community, Fiscal Discipline, and Organizational Alignment.

As you read through this report, you will see how this vision is making a difference in your daily life – from new playgrounds and sports fields to protection of our agricultural lands to innovative forms of engagement with residents to improved technology for water treatment.

Abbotsford is a vibrant, diverse city on the move. Building a prosperous and sustainable Abbotsford for the future depends on collaborating with all our partners. In 2017, there will be many opportunities for you to help shape this future, and I encourage you stay informed on new initiatives.

Thank you for allowing us the privilege to serve you in one of the best cities in BC!

Henry Braun

Mayor

ELECTED OFFICIALS

Abbotsford City Council was sworn in on December 1, 2014 and will serve the community of Abbotsford through November 2018. Members of Council are elected at large, meaning they each represent the community as a whole, rather than only a specific geographic portion.

The City of Abbotsford, pursuant to the Community Charter, operates on a Committee-of-the-Whole system, whereby all members of Council sit at the Executive Committee in an open meeting, prior to each Regular Council Meeting. The Executive Committee has authority to deal with all matters with the exception of bylaws, tenders and approval of budgets, which are addressed at Regular Council meetings. Council makes decisions by either passing a resolution or a bylaw. A resolution requires a single vote, whereas a bylaw requires four readings.

The Mayor and Councillors also serve on many Committees, Boards and Commissions and provide input and direction on sectors ranging from agriculture to arts, to economic development and regional issues.

Mayor Henry Braun

Did you know?

Henry raises purebred Herefords and enjoys being out on the range both at home or at the ranch. When Henry is not on the open range, he enjoys spending time with family while cooking over the kitchen range - whether it's his secret sauce for his best in the west BBQ chicken or his classic bouillabaisse.

Henry Braun was elected as Mayor of Abbotsford in 2014 after serving on City Council from 2011 – 2014.

Henry has been an Abbotsford resident for most of his life and was the co-owner, president and CEO of Abbotsford-based Pacific Northern Rail Contractors Corporation up until his retirement in 2003. As a long-time Abbotsford businessman, he is enjoying the opportunity to put his years of business experience to work for the City and people of Abbotsford. Henry believes that great communities are built when residents are engaged and involved, and he has served on many boards and associations. Henry's family is his inspiration for making sure Abbotsford remains a wonderful place in which to grow up and grow old, well into the future.

Current Committees/Boards/Commission Appointments

- Chair, Abbotsford Police Board
- Chair, Abbotsford Airport Authority
- Chair, Intergovernmental Affairs Advisory Committee
- Chair, Fraser Valley Regional District Hospital Board
- Committee for Business Innovation, Growth and Attraction

Full councillor biographies are available on the City of Abbotsford's website at abbotsford.ca/council.

ELECTED OFFICIALS

Councillor Les Barkman

Les Barkman was elected as an Abbotsford City Councillor in 2008.

Les's history with the City goes back to 1974 when he started working in the Parks and Recreation Department and eventually began operating a variety of equipment. Les believes that it is important to give back to the community; he has coached kids' fastball, officiated basketball for over 39 years, and fundraised and volunteered for a variety of local charities. Les and his wife, Elaine, love interacting with other cultures and have travelled to the Philippines, Hong Kong, and this fall to La Paz, Mexico.

Current Committees/Boards/Commission Appointments

- Intergovernmental Affairs Advisory Committee
- Abbotsford Downtown Business Association
- Joint Shared Services Committee
- Fraser Valley Regional Library Board
- Abbotsford Character Council

Did you know?

Les has heard the words, "Lester Barkman, come on down! You are the next contestant on the Price is Right!" He spun ninety five cents on the wheel and won the showcase.

CouncillorSandy Blue

Sandy Blue was elected as an Abbotsford City Councillor in 2014.

Sandy's diverse career has included marketing and economic development in the private and public sectors. She is passionate about helping communities innovate and thrive and envisions Abbotsford as a preferred destination: a place where young people choose to gather, pursue their post-secondary education, and build their careers and families. Sandy currently serves on the Abbotsford Police Foundation and enjoys grandchildren, gourmet cooking, golf, gardening, travel and interior design.

Current Committees/Boards/Commission Appointments

- Chair, Development Advisory Committee
- Committee for Business Innovation, Growth and Attraction
- Civic Recognition Committee
- **BC** Summer Games Nomination and Legacy Committees
- Heritage Abbotsford Society
- Metro Vancouver/GVRD Board of Directors Parks only

Did you know?

Sandy was a founding member of the BC Chapter of Canadian Women in Communications and enjoys leadership and mentoring roles with the Minerva Foundation for BC Women.

Councillor Kelly Chahal

Kelly Chahal was elected as an Abbotsford City Councillor in 2014.

Kelly has her MA in Criminal Justice; she currently works for the Ministry of Justice, is appointed as an Independent Chairperson for Correctional Service Canada and is a guest lecturer at various UFV and SFU Criminology classes. With a passion for social justice and intercultural relations, Kelly has served on the UFV Senate, the Advisory Board for the Centre for Canadian-Indo Studies and is a current member of the Abbotsford Character Council and a director of the Fraser Valley Indo-Canadian Association. Kelly enjoys archery and owns a beautiful recurve bow.

Current Committees/Boards/Commission Appointments

- Chair, Committee for Business Innovation, Growth and Attraction
- Intergovernmental Affairs Advisory Committee
- Abbotsford Restorative Justice and Advocacy Association
- FVRD Board; FVRD Hospital Board

Councillor Brenda Falk

Brenda Falk was elected as an Abbotsford City Councillor in 2014.

The owner of Tanglebank Gardens and Brambles Bistro, Brenda is a farmer, entrepreneur and business woman. With a commitment to community involvement and horticulture, she is especially excited to be a part of Abbotsford's Communities in Bloom, a national competition that encourages community participation, environmental responsibility and civic pride. Brenda enjoys reading, gardening, and spending time with her family and friends.

Current Committees/Boards/Commission Appointments

- Chair, Transportation Advisory Committee
- Committee for Business Innovation, Growth and Attraction
- The Reach Board
- Vice Chair, Fraser Valley Aboriginal Relations Committee
- Metro Vancouver, Aboriginal Relations Committee

Did you know?

Kelly has been involved in Scouts, leading a co-ed group which included her son and daughter; she eventually worked for Scouts Canada for a short time.

Did you know?

Brenda studied
Fashion Design
at UFV and
Horticulture and
Landscape Design
at Kwantlen
Polytechnic
University; she
is also the cocreator of the
region's Farm
Circle Tour and
creator of the
Passport to
Christmas.

ELECTED OFFICIALS

Councillor Moe Gill

Moe Gill was elected as an Abbotsford City Councillor in 1996.

Born in Punjab, India, Moe immigrated to Canada in 1955. After his education, he first worked in a saw mill but moved to Abbotsford in 1975 and started his raspberry farm. Keenly interested in both agriculture and community development, Moe is always ready to share his skills to help individuals or to improve the community. With over two decades as a City Councillor, he has served on almost all of the City's committees as well as community boards such as the Abbotsford-Matsqui Rotary Club. He is proud to live in this beautiful city and grateful to serve the community especially on issues related to its ongoing growth.

Current Committees/Boards/Commission Appointments

- Chair, Public Safety Advisory Committee
- Intergovernmental Affairs Advisory Committee
- Agrifair
- FVRD Board; FVRD Hospital Board

Did you know?

The first sport Moe ever played was baseball when, as a young bov. he was asked to join a team because they didn't have enough players. This started his love for sports. For twelve years, he was an amateur wrestler and even competed as a professional until a back injury forced him to retire.

Councillor

Dave Loewen

Dave Loewen was elected as an Abbotsford City Councillor in 2005.

Dave is a retired educator, with 37 years of experience teaching in Australia, Manitoba, Abbotsford and Chilliwack. Born and raised in Abbotsford, Dave has watched Abbotsford grow from a small town into a vibrant, multicultural community with a rich heritage and strong economic base, and he is proud to serve the community's residents. Dave also serves the broader community through his Rotary Club and is a Paul Harris Fellow. Dave enjoys travelling, history, genealogy and outdoor activities like cycling, snowshoeing and canoeing.

Current Committees/Boards/Commission Appointments

- Chair, Parks, Recreation and Culture Advisory Committee
- Committee for Business Innovation, Growth and Attraction
- Abbotsford Chamber of Commerce
- Fraser Valley Diversity and Immigration Partnership Council
- FVRD Board; FVRD Hospital Board

Did you know?

Dave is
Abbotsford's
Canada 150
Community
Leader, serving
as a touchpoint
for receiving
and sharing
information
related to
Canada's 150th
anniversary.

CouncillorPatricia Ross

Patricia Ross was elected as an Abbotsford City Councillor in 1994.

Patricia has travelled the world and truly believes Abbotsford is the most beautiful place on earth, with amazing people that she is honoured to serve. Patricia is a Fellow of Leadership for Environment and Development International, a research and training institute committed to fostering leadership in sustainability worldwide. She is currently the chair of GrowYourBiz Abbotsford, an advisory and mentoring board for women in business. As a councillor, Patricia is committed to sustainability principles and considers the environmental, social and economic impacts in all decision making.

Current Committees/Boards Commissions Appointments:

- Chair, Agriculture, Dyking, Drainage and Irrigation Advisory Committee
- Civic Recognition Committee
- Intergovernmental Affairs Advisory Committee
- Vice Chair, Fraser Valley Regional District Board
- Fraser Valley Regional District Hospital Board
- Abbotsford Youth Commission

Did you know?

Patricia is a former Victim Services volunteer and is an advocate for restorative justice and for first responders and military experiencing PTSD.

CouncillorRoss Siemens

Ross Siemens was elected as an Abbotsford City Councillor in 2014.

Ross previously served on the District of Abbotsford Council from 1986 to 1990. He runs his family's business, Hub Motor Service, established by his grandfather in 1954 in Downtown Abbotsford. Ross understands the unique role that small businesses play in building a strong and engaged locally based economy and is excited about opportunities to help these businesses continue to thrive. He is also passionate about refugee relief work, welcoming refugees into the community, and helping them to succeed. Ross enjoys hiking, skiing and snowshoeing with his family; he is also an avid runner.

Current Committees/Boards/Commission Appointments

- Chair, Homelessness Action Advisory Committee
- Joint Shared Services Committee
- Abbotsford Arts Council
- FVRD Board; FVRD Hospital Board

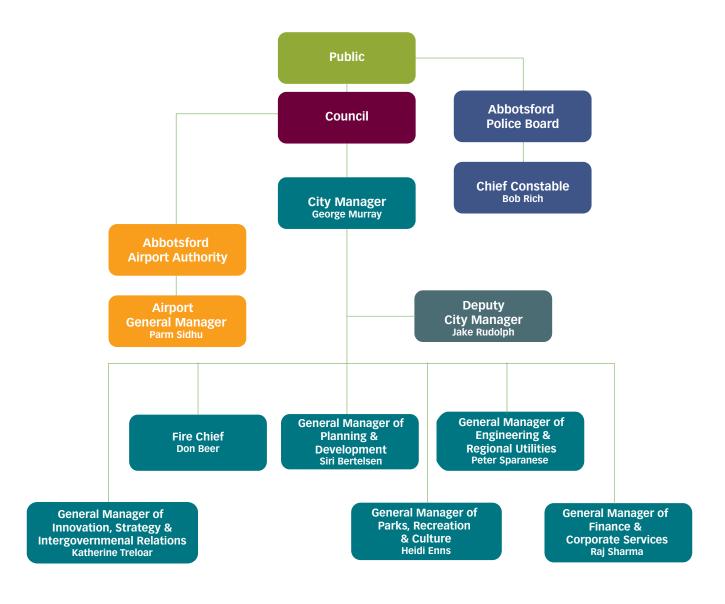

Did you know?

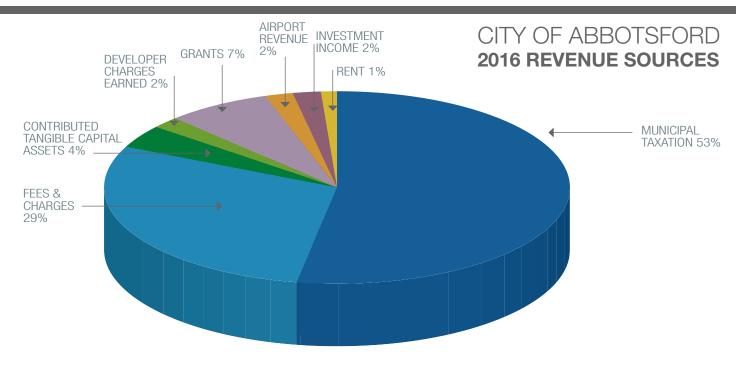

When Ross was first elected to serve on the Abbotsford District Council, he was only 23 years old – Abbotsford's youngest councillor ever!

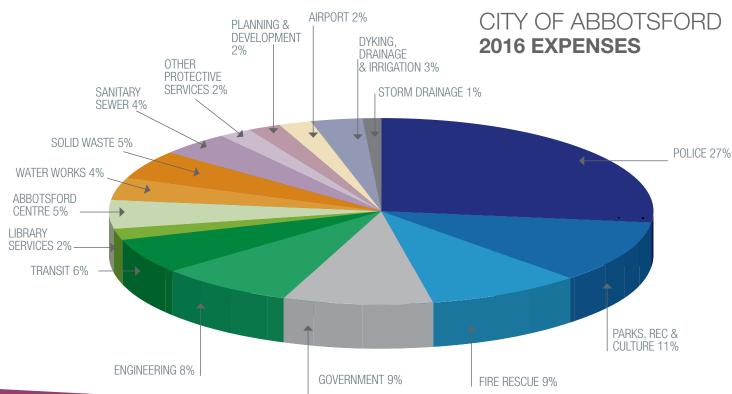

ORGANIZATIONAL STRUCTURE

Mayor and Council are responsible for setting the direction and establishing the policies and priorities for leading the community. This direction is then carried out by the City's administration.

The Abbotsford International Airport and the Abbotsford Police Department report to independent Boards. All other Departments report directly to the City Manager, who is appointed by, and reports directly to, City Council. The City Manager is the Chief Administrative Officer for the City of Abbotsford.

Complete financial information is contained within the Financial Section of this report starting on page 65.

2016 REVENUE AND EXPENSES

How tax dollars pay for City services This illustration gives a snapshot of how tax revenue is divided up to support services and amenities across the community. Dollars are based on 2017 budgeted municipal taxes (city/ police/ library) for a typical single family residence with a property assessment of \$429,000. \$188 \$80 arks, Recreation & Culture ire, Rescue & Emergency sportation & Transit

- Utility user fees includes operations and maintenance, current and future infrastructure replacement and debt servicing.
- ★ Waterworks and sanitary sewer based on the 2016 median single family water usage (224 m³), and include a 3.75% rate increase effective July 1, 2017: (i) waterworks rate with on-time payment discount \$1.13; (ii) sanitary sewer rate with on-time payment discount \$0.96.

The City of Abbotsford

is responsible for providing relevant and timely community services and infrastructure in support of a sustainable, liveable City.

Each day, City staff endeavor to provide efficient and effective municipal services within an accountable and sustainable fiscal framework.

Abbotsford City services are organized into seven key service departments:

- City Manager's Office
- Finance & Corporate Services
- Planning & Development Services
- Engineering & Regional Utilities
- Fire Rescue Services
- Parks, Recreation & Culture
- Innovation, Strategy& IntergovernmentalRelations

2016 STRATEGIC GOALS **& ACHIEVEMENTS**

OUR VISION

The City of Abbotsford is the Hub of the Fraser Valley.

OUR MISSION

We strive to continually improve the quality of life within our community by delivery key services for current and future generations.

In 2016, the City of Abbotsford continued to work towards the vision of becoming the Hub of the Fraser Valley. This vision sees Abbotsford as a preferred destination for businesses and residents alike.

As the Hub of the Fraser Valley, the City of Abbotsford will be the regional center for communities in the Fraser Valley. Abbotsford will be home to regionally centralized services and agencies including health care, courts, transportation, the university, airport, provincial and federal government, entertainment and cultural facilities, and commerce.

To achieve this vision, four Cornerstones were created in 2015 to support and focus the work of Council and the City:

- Complete Community
- Organizational Alignment
- Fiscal Discipline
- Vibrant Economy

The Strategic Plan aligns all municipal planning decisions and guides departmental business planning and budgeting efforts.

We value our community's connection with the environment.

Abbotsford will advocate for the development and care for our agricultural lands and the protection of all of our overall eco-systems.

WHAT WE DID IN 2016 TO ACHIEVE THIS: **THE CITY PLANTED 1,421 TREES** fostering the beauty of the city and enhancing the environment.

150 STREET TREES were planted in the Fairfield neighbourhood in preparation for Canada's 150th birthday celebration.

The City received the UBCM Green Communities Award for efforts in reducing greenhouse gas emissions.

Did you know?

Abbotsford's residential water usage is one of the lowest in BC due to our water conservation strategy (currently at 185 litres/person/day).

We support a multi-disciplinary approach to public safety.

Abbotsford plans for, and invests in, programs that support our protective services.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

Abbotsford Fire Rescue Service and the Abbotsford Police Department worked together to create a new Motor Vehicle Incident procedure that has increased the efficiency of emergency service response.

Abbotsford Fire Rescue Service responded to an increase of 1,175 calls from 2015.

ABBOTSFORD FIRE RESCUE SERVICE WAS THE SECOND FIRE SERVICE IN BC TO START DELIVERING NALOXONE TO OVERDOSE PATIENTS.

The City partnered with external agencies to deliver earthquake public awareness information during Emergency Preparedness Week. The effects of an earthquake were experienced through a sponsorship of the Quake Cottage at High Street Mall.

Staff reviewed 56 crosswalk locations, identified 20 locations for future improvements and completed crosswalk improvements at Poplar Elementary school, McMillan Elementary school, MEI Elementary school, Ash/Walnut Drive, and Blueridge/Goldfinch Drive. The improved crosswalks will enhance pedestrian safety, walkability, and accessibility within the community.

Traffic calming projects were completed at Guilford Drive and McKinley/Sandy Hill Drive to address speeding, shortcutting, and improve the livability and safety of the neighbourhoods.

COMPLETE COMMUNIT

WHAT WE DID IN 2016 TO **ACHIEVE** THIS:

A new campaign called "THINK BEFORE YOU TOSS" was launched to raise awareness about the dangers of throwing cigarette butts out the window and starting brush fires in dry weather conditions.

The City partnered with the Vancouver Foundation and the Abbotsford Community Foundation to offer

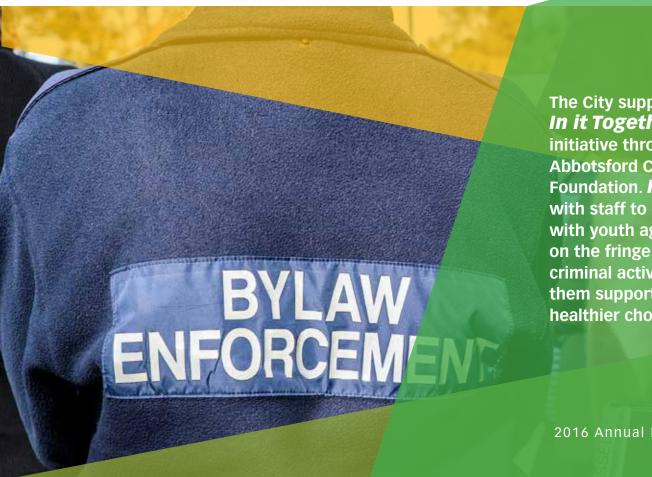

NEIGHBOURHOOD SMALL GRANTS. These grants created opportunities for neighbourhoods to come together and solve community problems and enhance crime prevention.

The City effectively responded to one of the worst winters on record. This helped support public safety, economic vitality and the social well-being of the community.

This included applying

6,500 tons of salt 3,000 tons of sand

5,817 hours clearing/plowing streets

The City supported the In it Together (IIT) initiative through the **Abbotsford Community** Foundation. **IIT** worked with staff to connect with youth aged 12 - 13 on the fringe of gang or criminal activity to get them support to make healthier choices.

We capitalize on opportunities around transportation in and through the city.

Abbotsford recognizes that smooth and efficient transportation affects a number of key priorities and works closely with other levels of government to support community mobility.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

The City received \$20 million in funding for widening Mt. Lehman Road to four lanes, providing better access to the airport and industrial lands, and allowing for more efficient movement of people and goods to the Canada/US border.

THE CITY RECEIVED \$28 MILLION IN PROVINCIAL AND FEDERAL FUNDING TO BOOST TRANSIT INFRASTRUCTURE with a new and expanded Central Fraser Valley Transit operation and maintenance facility, increasing service and convenience to residents who use public transportation.

The City has over 2,100 lane kilometers of roads and resurfaced approximately 22 lane kilometers of road to ensure public safety.

54 railway crossings were assessed and the City applied for grants to improve 22 crossings to meet the Transportation Safety Board standards, improve public safety and reduce community expenditures.

COMPLETE COMMUNITY

HOW WE GET THERE:

We embrace our cultural diversity as one of our greatest strengths.

Abbotsford consults with community groups to facilitate connections and enhance both our understanding and our service delivery.

WHAT WE DID IN 2016 TO ACHIEVE THIS: An AGE FRIENDLY STRATEGY TO CREATE A HIGHER QUALITY OF LIFE FOR OLDER CITIZENS was implemented.

The City participated in the Canada 150 Mural Mosaic Project. More than 350 residents painted a tile to commemorate Canada's 150th anniversary. The City of Abbotsford was the first community in the province to participate in this project. The finished mural is located in the Matsqui Centennial Auditorium as a cultural legacy for future generations.

Did you know?

- 1,512 sport, culture and recreation groups accessed 144,683 hours of rentals in Abbotsford parks and recreation facilities an average of 96 hours per group.
- Abbotsford residents accessed 11,573 hours in the pool.
- 1,272,399 residents attended the recreation facilities which worked out to 3,486 visitors a day.
- Matsqui Recreation Centre (MRC) was open to the public 5,567 hours in 2016, averaging 940 people a day and the Abbotsford Recreation Centre (ARC) was open 6,734 hours in 2016, averaging 1,749 people a day.
- alternate in a safety and maintenance shutdown in order to enhance and protect the infrastructure. In 2016, despite the 26 day-closure, which had some financial impacts to revenues, overall swim lesson registration between the two aquatic facilities was up \$48,000. In 2016, swim lessons were at a six year high, with a 3% increase over 2015, and a 45% increase over 2011.
- Overall ARC/MRC drop-in attendance was up 16% over 2015.

HOW WE **GFT THFRF:**

We value recreation and support facilities, amenities and activities that connect us.

Abbotsford is proactive in addressing community needs for sports and recreation.

WHAT WE DID IN 2016 TO **ACHIEVE** THIS:

The City ran the Be Water Smart program to give families the tools, information and opportunities to learn about water safety.

AN ACCESSIBLE PLAYGROUND WAS INSTALLED AT ABBOTSFORD EXHIBITION PARK WITH SUPPORT FROM THE ABBOTSFORD FIREFIGHTERS' FUND. MAKING IT POSSIBLE FOR MORE CHILDREN TO PLAY.

Accessibility improvements to Centennial Pool, MRC weight room, and the ARC parking lot made it easier for patrons with strollers, wheelchairs and other mobility challenges to use the facilities.

An adult and child accessible swing was included at the Pepin Brook Park. Accessible play equipment helps youngsters with disabilities socialize and stay active.

Recreation staff championed a participation and education campaign called "Play Every Day" for toddlers and preschoolers.

The City participated in the Move for Health Week in May. This annual event provides low-cost access to recreation facilities and allows patrons the opportunity to sample programs, classes and explore opportunities to become active.

The Adopt-a-Park program continued to offer opportunities for residents and community groups to give back to the community.

We facilitate action to mitigate social issues that impact our community.

Abbotsford advocates with other levels of government for support for social issues. We facilitate connections between not-for-profit and community groups and take a role in enabling low barrier/affordable housing in our community.

WHAT WE DID IN 2016 TO ACHIEVE THIS: Construction began on the Supportive Housing Project on Gladys Avenue. The project is a partnership between the City, Abbotsford Community Services and the Province of BC in order to provide a home and support to those who are homeless or at risk of homelessness.

The City participated in the development of the Coordinated Intake Referral Program. The program will be implemented in 2017, and will ensure community agencies work together to support people coping with issues related to homelessness.

The City worked with Community Practice consultants to lead a multi-stakeholder development of a Collaborative Roadmap for the Prevention of, and Response to, Homelessness in Abbotsford.

CRIME PREVENTION THROUGH ENVIRONMENTAL DESIGN (CPTED) PRINCIPLES WERE APPLIED TO THE WORK IN THE CITY'S

PARKS. Staff lifted the tree canopy and removed low brush in order to improve the sight lines at many parks and trails for public safety.

ORGANIZATIONAL ALIGNME

HOW WE **GET THERE:**

We make development decisions based on our long-term strategies and are not swayed from our community vision by short-term gains.

The City of Abbotsford's OCP is updated to ensure it reflects our current and future planning and growth needs and our plans are aligned and accessible to all stakeholders. We value sustainability and ensure alignment between ongoing community developments and our sustainability framework. We ensure our bylaws support our development vision for the community.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

City Council adopted the new OCP in June 2016, concluding the twoyear project and began the next steps of putting the plan to work.

The City of Abbotsford won a **UBCM AWARD FOR BEST** PRACTICES COMMUNITY CONNECTIONS for the Abbotsforward Official Community Plan.

HOW WE **GET THERE:**

We recognize the importance of certainty in community building and that our rules and bylaws are critical to protecting the livability of our city.

The City of Abbotsford will be proactive in ensuring compliance with our bylaws and enforce them uniformly. Our most critical development bylaws are up to date and we revisit our regulations and remove bylaws that are no longer critical in a timely fashion.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

The City initiated AgRefresh, a process to review and update agricultural policies, bylaws and regulations for land in the ALR.

City staff developed a successful "Check Before You Burn" campaign to implement online Open Air Burn permits for rural burning.

Over 32 policies and 67 procedures were rescinded that were no longer relevant, creating greater efficiency in the organization.

We support the efficient and effective delivery of our city services and programs.

The City has Key Performance Indicators and metrics, strong leadership, data-based decision making and has systems for performance management and morale, and a succession and recruitment strategy.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

THE CITY PROVIDED \$661,969 IN SUBSIDIZED ACCESS TO RECREATION FACILITIES including free

access to Grade 5 students, UFV Upass holders, Free Super Senior 80+ memberships and subsidy access through low income and special needs programs.

Updates to the Abbotsford Recreation Centre front counters increased customer service satisfaction and streamlined processes.

The City upgraded the AMANDA permits and licensing software, which supports the everyday work being completed by staff and helps serve residents efficiently.

An electronic document management system was launched, bringing greater ease to filing and finding documents and collaborating on drafting documents, creating a more productive and efficient work environment.

Did you know?

Each year the City partners with the Abbotsford School District in hosting "Arbor Day"

65% of City of Abbotsford volunteers are under the age of 30.

ORGANIZATIONAL ALIGNMENT

WHAT WE DID IN 2016 TO ACHIEVE THIS: The City built and tested an eAgenda meeting management solution for Council Reports and City Council meetings, which will be implemented City-wide in early 2017.

City staff introduced new features for online mapping 'webmap', for easier use by residents and businesses.

The City implemented "Stone Orchard" software in the cemetery division in order to modernize the data collection and billing system into a digital format.

In 2016, the City provided funding and support to the following organizations:

- MSA Museum Society for the management and operation of Trethewey Historic House and heritage activities
- Abbotsford Cultural Centre Society for the management and operation of Reach Gallery Museum
- Abbotsford Youth Commission for the management and operation of the Youth Centres at ARC and MRC and youth programs
- Abbotsford Arts Council for the management and operation of Kariton House and promoting visual, literary and performing artists
- Special Event Grant to Abbotsford Agrifair

ORGANIZATIONAL ALIGNMENT

HOW WE GET THERE:

We pursue excellence in customer service and strive to provide a positive customer experience.

The City has a strong commitment to upholding public trust, providing a high quality of life for residents and delivering excellence in service to our customers.

WHAT WE DID IN 2016 TO ACHIEVE THIS: Removal of the 145 year old Douglas fir trees at the Trethewey historic site was done in partnership with the MSA Museum Society and the Antique Farm Machinery groups. The historic trees, which were cut down in 2014 due to concern of disease, have been milled into living edge pieces and will be sold as a fundraiser for FVAFMA and the MSA Museum Society.

The City was awarded the Fraser Valley Home Builders' Association Award for Excellence in Service.

The City participated in an internal reorganization to strategically align service delivery departments.

VOLUNTEERISM WAS THRIVING IN ABBOTSFORD IN 2016 WITH OVER 2,600 VOLUNTEERS CONTRIBUTING THEIR TIME, TOTALING 16,262 HOURS, TO VARIOUS INITIATIVES THROUGHOUT THE COMMUNITY.

We believe in an involved, safe and engaged workforce.

City staff has a consistent high satisfaction with their workplace and their jobs; working in an efficient yet safe fashion.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

Four Abbotsford lifeguard instructors won the prestigious Barnsley Shield at the Provincial Lifeguarding championships.

THE CITY SET NEW GOALS AND INITIATIVES FOR SAFETY, AND SAW A 10% REDUCTION IN FIRST AID INCIDENTS AND A 20% REDUCTION IN LOST TIME INJURIES/MEDICATION AID

INJURIES - all signs we're heading in the right direction to a safe and efficient organization.

A new training and development program for employees was launched to ensure staff can grow their skills, and consequently, serve our community better.

2016 was the first, full-year of Flex Firefighters program, resulting in reduction in overtime costs.

The JAMES wastewater treatment plant celebrated five years with no time lost due to accidents.

The City participated in a full internal safety program audit and gap analysis in preparation for a WCB Safety Audit in 2017.

The City implemented a safety tracking system to efficiently manage and process safety incidents and procedures.

WorkSafe premiums were reduced due to improvements in disability management procedures.

Improvements to the staff first aid process were implemented which improves the efficiency and accuracy in reporting and recording work place injuries.

ORGANIZATIONAL ALIGNMENT

WHAT WE DID IN 2016 TO ACHIEVE THIS: The City revised the learning and development policy to provide staff with a framework to ensure constant learning and refining of skills.

Staff were recognized for their valuable contributions and educational achievements through the Abbotsford Staff Appreciation Program.

A new Employee Orientation program was implemented ensuring that new employees were provided with the information and tools they need for success.

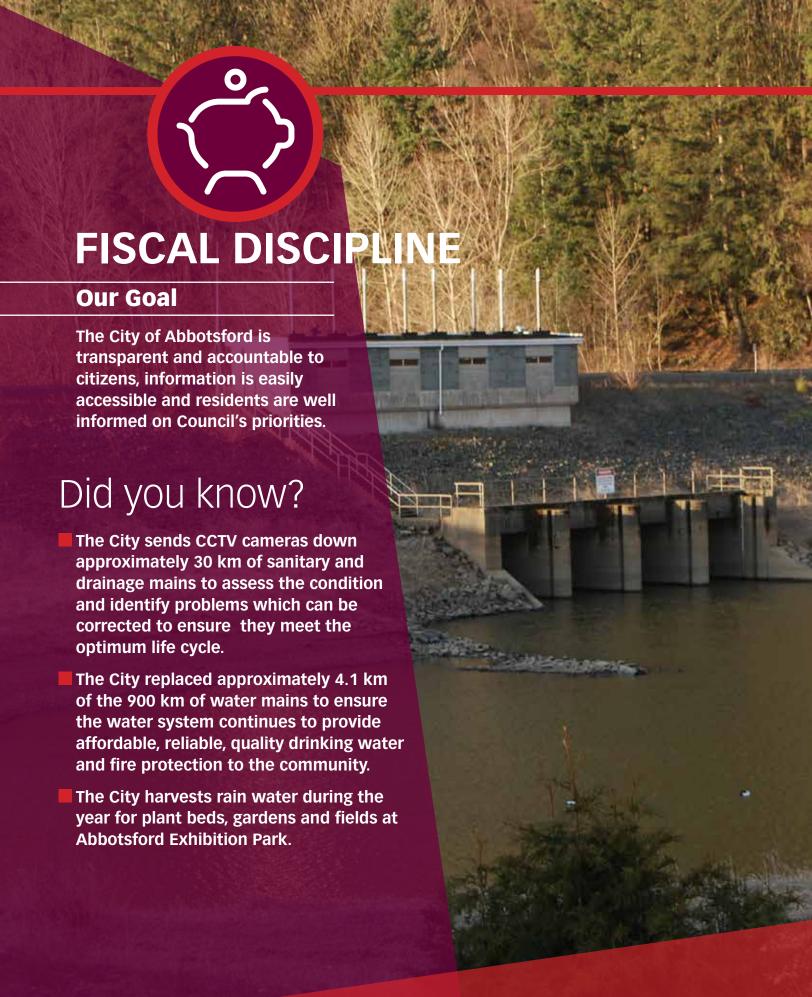

The City's Firefighter Recruitment Process was enhanced to allow online functionality in order to streamline processes and ensure efficient and effective service delivery and user experience.

The Employee & Family Assistance Program was updated to ensure employees have support for success.

The City engaged in a high volume of recruitment to support the restructuring initiatives and employee retirements.

The City Careers web page was updated to ensure better access to career opportunities.

We understand how important it is to take a long-term view on maintaining and upgrading our city assets.

Abbotsford plans financially to minimize surprises for our taxpayers. We have an asset management system that tracks tangible capital assets, and we explore and expand infrastructure needs based on data.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

THE CITY COMPLETED \$355,000 IN UPGRADES TO THE MT. LEHMAN CEMETERY to preserve, restore

and protect the heritage aspects of the cemetery and to provide additional memorialization options and support broader community use such as walking, cycling, and special events.

The City completed a bi-annual gymnasium and pool maintenance program at the Abbotsford Recreation Centre to ensure facility safety and asset protection.

The City increased our net financial assets by 39.4% since 2015.

Accessibility upgrades were completed to the Centennial Outdoor Pool to improve accessibility.

Abbotsford received approximately \$4.3 million in funding for upgrades to the JAMES Waste Water Treatment Plant.

THE CITY COMPLETED UPGRADES TO THE CANNELL LAKE WATER TREATMENT PLANT.

Asset maintenance upgrades were performed in several City Parks, including shelters, washrooms and the gallery at Abbotsford Exhibition Park, helping to maintain the quality and longevity of the facilities.

The City replaced the Marshall Road Annex and the Abbotsford Curling Club roofs to ensure the assets are managed and up to date.

We make financial decisions by looking not just at the long-term cost, but also the value to our community.

Abbotsford realizes that in order to create a vibrant economy we need to invest and support initiatives that make us more efficient and effective. We support the development of fair, equitable and transparent tax rates, and financial policies.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

The City supported the movement of heritage plants from the Hoon family property on Marshall Road to Hoon Park on Lynn Avenue. Three large rhododendrons and several azaleas were donated by the family to honour their father and beautify the park.

Energy assessments were performed on 37 facilities and an energy savings plan was developed to save 1.5M kWh of energy over the next three years.

THE CITY RECEIVED \$28M FOR A BC TRANSIT DEPOT AND MAINTENANCE FACILITY to support

improved transit service in both the Abbotsford and Mission.

The City received \$1M funding from Bike BC for the Salton Road cycling and pedestrian overpass to create a pedestrian/cycling link from the U-District to areas north of Highway 1.

HOW WE **GET THERE:**

We understand the critical role of community education and engagement.

Abbotsford is proactive in communication on our community strengths and in addressing issues emerging in our community. We use emerging technologies (social media etc.) strategically and we tailor our outreach and communications to meet the specific needs of stakeholders.

WHAT WE DID IN 2016 TO **ACHIEVE** THIS:

City events, initiatives and programs were communicated through social media platforms, online and in print, such as the Abbotsford Parks, Recreation & Culture Program Guide.

Various promotional and educational videos were created highlighting initiatives such as the OCP, the AgTech sector and the Business Walks program.

The City issued over 45 news releases to inform the media and residents on important City initiatives, events and programs.

THE CITY RESPONDED TO 3,627 BYLAW **INQUIRIES WHICH PROVIDED MANY** OPPORTUNITIES TO EDUCATE RESIDENTS AND **BUSINESSES ON CITY BYLAWS.**

The City increased engagement with residents through social media platforms, online surveys, apps, and making Council meetings available live-stream across all platforms.

City staff attended 130 different educational events at schools and public events to promote water conservation.

HOW WE GFT THERE:

We actively manage our city finances with exceptional care.

Abbotsford is proactive in managing expenditures through efficiency gains and continuous improvement; using debt strategically; operating with broad foresight; and aligning spending with strategic objectives.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

THE ADULT BUS TOUR PROGRAM WAS **RE-ORGANIZED TO IMPROVE CUSTOMER EXPERIENCE AND THE FISCAL PERFORMANCE** OF TOURS. PROGRAM REVENUES INCREASED 5% WITH A 19% SAVINGS IN EXPENSES.

The City significantly increased our reserve balance over 2015, by \$31.7M.

City arenas operated 13,422 hours in 2016 averaging 802 people per day. Skate lesson registrations increased 12%. As a result, MRC added an additional day of lessons each week to meet the demand.

The City received \$4.3M for upgrades to the ultraviolet disinfection system at the JAMES plant to protect the environment and improve worker safety.

The City reduced long-term debt by \$4.6M and internal financing by \$4.5M over 2015.

The City received \$3.8M from the Community Works Fund for upgrades to the Cannell Lake Water Treatment plant. \$2.7M was used to improve worker safety and ensure Abbotsford has high-quality drinking water.

Did you know?

In 2016, the City had 35,568 program participants in sport, art and learn-to-play programs.

HOW WE GET THERE:

We understand the impact we have on others and invest in building relationships that facilitate alignment.

The City plays a key role in issues impacting our regions and strengthens our advocacy by aligning with others in our region. We are deliberate in positively engaging with key regional stakeholders and look for opportunities to share infrastructure and resources.

WHAT WE DID IN 2016 TO ACHIEVE THIS: The City facilitated a restoration planting with three grade 5 classes from Abbotsford Christian Elementary School in McKee Creek Park.

IN FEBRUARY, 166 GOVERNMENT-ASSISTED REFUGEES WERE WELCOMED to Abbotsford and were provided access to memberships at our recreation facilities. The City of Abbotsford, through the Parks, Recreation & Culture Department, played a key role in the Local Immigration Partnership Program in the City.

The City hosted Elevate Abbotsford, a forum designed to bring a diversity of sectors together to discuss how to foster innovation in the City. Ideas from the forum will build the Economic Development Strategic Plan.

The Building Blocks of Marketing Tools were created to help small businesses build a tailored marketing plan, increasing their ability to succeed.

Funding was received through the Invest Canada Community Initiatives Program to further support the implementation of the International Marketing Blueprint.

\$4M funding was received for shoreline flood mitigation projects along Matsqui Dyke in order to protect an estimated impact value of \$1.8B to farmland, homes, water and important regional infrastructure.

The City received recognition from the Canadian Federation of Independent Business, as Abbotsford–Mission was ranked ninth as one of Canada's most entrepreneurial communities.

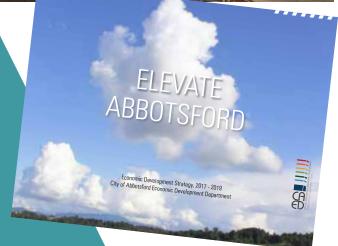

WHAT WE DID IN 2016 TO ACHIEVE THIS: The City supported Telus fibre-optic upgrades to provide infrastructure across the City to enhance access to high-speed internet service to customers in the community.

Involve Abbotsford, a City program, attracted speakers and participants for not-for-profit community agencies and organizations across the City.

- 92% of local businesses visited on the Business Walks Program indicated a 'steady' or 'increasing' business growth.
- The total building permit value for 2016 was \$252 million.

HOW WE GET THERE:

We focus on developing a vibrant and diverse economy.

Abbotsford is the economic hub of the Fraser Valley and the preferred destination for businesses and families alike. We value and support our existing businesses and ensure we are structured internally to support a vibrant and thriving economy. We are open to opportunities that enhance our community and align with our community vision, and will collect and utilize data so that we can make informed decisions about the growth of our community.

WHAT WE DID IN 2016 TO ACHIEVE THIS: The Abbotsford Airport entered into a service agreement with an additional airline and set a record for passenger volume in 2016, reaching 530,643 passengers.

THE CITY WELCOMED OVER 32 FILM PRODUCTIONS, INVESTING ABOUT \$1 MILLION IN THE COMMUNITY.

With community-wide involvement, the City hosted the 2016 BC Summer Games supporting over 2,400 athletes.

Abbotsford hosted the Rogers Hometown Hockey Tour, a national hockey fan experience.

The City supported over 150 community events with an economic impact of over \$14 Million.

The City organized the second annual Abbotsford Business Walks event. Over 60 volunteers, including elected officials and representatives from business organizations, connected with 125 businesses.

WHAT WE DID IN 2016 TO **ACHIEVE** THIS:

In 2016, industrial applications reached a milestone with 70,000m² of new floor space currently in stream to be approved, the highest amount for any period in the last decade. New approved industrial floor space exceeded the 5-year and 10-year averages.

In 2016, new apartment construction increased by 121% and townhome construction increased by 170%.

City-issued residential building permits exceeded the 5-year and 10year averages in all categories.

The MRC Sports Field Complex opened in 2016 with three additional fields, creating an extra 84 hours of playing time per week for the community, encouraging health and fitness, sport development and community connections.

Did you know?

Abbotsford is the agriculture capital of Canada, with farm receipts of

\$20,441/ha

Economic Importance

20,400/ha

1 in 5 jobs

farms supporting agri-business

annual gross farm receipts

Poultry Industry Producers

55% BC eggs

50% BC turkey

34%BC chickens

Dairy Producers

40% of the milk in the Lower Mainland

22% of the milk in the Province

HOW WE **GET THERE:**

We recognize the value of innovation in our local economy, especially agriculture.

The City makes decisions within an established framework to be both responsive and accountable. The City is open to innovative approaches within our planning framework and will advocate with the Agricultural Land Reserve for changes that reflect the evolving face of agriculture.

WHAT WE DID IN 2016 TO ACHIEVE THIS:

THE CITY LAUNCHED THE AGREFRESH PROGRAM WITH THE GOAL TO ENHANCE **AGRICULTURAL INTEGRITY** in Abbotsford while

responding to agricultural trends.

The City provided a continuous supply of irrigation water for farmers in Matsqui and Sumas Prairies during the dry summer months.

COMPLETE COMMUNITY

The City is starting a comprehensive Master Plan Update Project, called Plan For 200K, including nine master plans, four neighbourhood plans alongside several studies. Building a city requires strong planning and the City is laying down the foundations for a walkable, transit-friendly, forward-thinking, and dynamic city of the future, as envisioned in the Official Community Plan.

Abbotsford Fire Rescue Service (AFRS) will complete analytics and use the data to determine the location of Fire Hall 6 and develop the AFRS Master Plan.

The Coordinated Intake Referral Program will begin, ensuring community agencies work together to support people coping with issues related to homelessness.

A new program, Abbotsford Rental Connect, will begin and connect tenants and landlords by providing key services and help support those who need a home to successfully find one.

The Abbotsford Police Department will be hiring five new positions as they move forward to becoming the safest city in BC.

Staff will be presenting a process for Council to gain insight on community sentiment and foster further accountability through tools such as a Quality of Life Index.

With Canada's 150th birthday, a number of community events are scheduled throughout the year to celebrate, included a special July 1st Canada Day celebration.

The Sumas Way/Vye Road overpass project is under review. The project will begin in 2017.

The City will work closely with Kinder Morgan as they progress with plans for implementing the twinning of their pipeline through our community.

Staff is reviewing opportunities for improvement in road safety and rail safety across our community.

FISCAL DISCIPLINE

Abbotsford Fire Rescue Service will complete the building design and location for Fire Hall 6 replacement.

Water and Sewer Services will replace and update some of the City's aging infrastructure.

AFRS will receive two new Hub Fire Engines, built locally.

The City of Abbotsford will work with the District of Mission to identify short, medium and long-term water supply options.

The City will update several fleet vehicles.

AT A GLANCE FOR 2017

ORGANIZATIONAL ALIGNMENT

Abbotsford Fire Rescue Service will recruit additional auxiliary fire fighters to staff Fire Hall 1.

The City will complete the WorkSafe Certificate of Recognition (COR) City Safety Audit.

In the Human Resources area, the City will develop a succession planning framework, offer supervisor and manager training ensure staff safety training and launch a leadership training program, in addition to enhancing the disability management process.

The City will expand the Bike Lane program.

To support staff working in the field, the City will launch a pilot project to review the use of mobile devices and technology.

VIBRANT ECONOMY

The City will partner with Whatcom County on a cross border exercise of resource deployment, as well as plan and execute an Emergency Preparedness campaign focusing on local reoccurring events (snow/wind events).

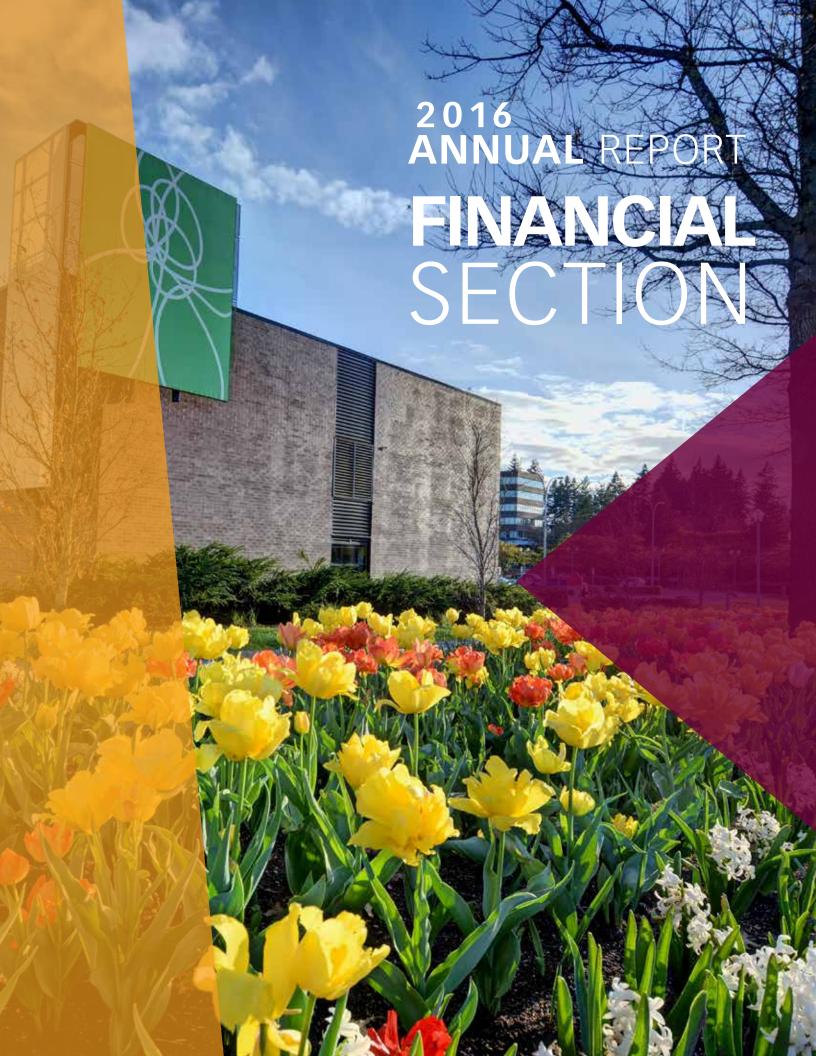

In 2017, preparations for construction of the Marshall Road Connector will begin, resulting in better connections and traffic flow.

Property acquisition and construction for the widening of Blue Jay Road from Maclure to Cardinal will begin this year.

In 2017, the Taste of Abby event will recognize Eat Local Week and highlight local produce and businesses.

The City will apply funds received from a \$20,000 grant to continue marketing Abbotsford to businesses and investors in India and China.

FINANCIAL SECTION

CANADIAN AWARD FOR FINANCIAL REPORTING The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Canadian Award for Financial Reporting to the City of Abbotsford for its Annual Report of the fiscal year ended December 31, 2015. The Canadian Award for Financial Reporting program was established to encourage municipal governments throughout Canada to publish high quality financial reports and to provide peer recognition and technical guidance for officials preparing these reports.

In order to be awarded a Canadian Award for Financial Reporting, a government unit must publish an easily readable and efficiently organized annual financial report whose contents conform to program standards. Such reports should go beyond the minimum requirements of generally accepted accounting principles, and demonstrate an effort to clearly communicate the municipal government's financial picture, enhance an understanding of financial reporting by municipal governments and address user needs.

A Canadian Award for Financial Reporting is valid for a period of one year.

MANAGEMENT DISCUSSION AND ANALYSIS

OVERVIEW

I am pleased to present the Financial Report for the City of Abbotsford for the fiscal year ended December 31, 2016. The purpose of this report is to publish the City of Abbotsford's audited Consolidated Financial Statements which have been prepared in accordance with Section 167 of the Community Charter.

The preparation of the Financial Statements is the responsibility of management and they have been prepared in accordance with reporting standards as prescribed by the Chartered Professional Accountants (CPA) Canada Public Sector Accounting Board (PSAB). Management is also responsible for ongoing monitoring of all financial affairs of the City. To assist in its responsibility, management maintains budget, accounting and a system of internal controls to provide reasonable assurances for the safeguarding of assets, authorizations of transactions and reliability of records.

KPMG LPP, Chartered Professional Accountants have audited these financial statements and provided an unqualified opinion in their report to the Committee of the Whole dated May 15, 2017. As external auditors, KPMG is responsible for examining the City's Financial Statements in accordance with generally accepted accounting principles and expressing their opinion on whether the statements are presented accurately. The auditors' opinion, based on their independent audit, is expressed in the Auditors' Report which forms part of this Annual Financial Report.

The City provides multiple services to its residents. At a municipal level it provides protection to its citizens; recreational and cultural activities; water, sewer, and solid waste management services; roads, bridge, sidewalk and trail maintenance; and city planning and development.

The financial statements bring together the financial results of these activities and entities. The Municipality is responsible for the fairness and completeness of the presentation and all disclosures, and the accuracy of the data. This report provides users with an overview of the City of Abbotsford's financial performance.

OVERVIEW

The purpose of the report is to provide the users and readers with clear insight of the financial results for the City for the fiscal year ended December 31, 2016. Administration strives to ensure that this report fairly presents the financial position of the City.

The annual report is presented in six sections: introductory, departmental overview, financial, exhibits and schedules, financial statistics and permissive tax exemptions. The introductory section includes the City's vision and mission statements. governance structure, organization chart, key strategic objectives, accomplishments and highlights and an outline of the City's main services. The financial section includes the Chief Financial Officer's Report (including management reporting and control, our future, and financial highlights) and the audited financial statements (including the independent auditors' report on the financial statements, the basic financial statements, the notes to the financial statements, and the exhibits and schedules). The exhibits and schedules support and provide financial context to the consolidated financial statements by means of segmenting the financial information. The statistical section includes selected financial and demographic information presented on a multi-year basis. This financial report should be read in conjunction with the audited consolidated financial statements and their accompanying notes and schedules.

MANAGEMENT REPORTING AND CONTROL

FINANCIAL GOVERNANCE

While the City's management is responsible for the preparation of the financial statements, the Municipality's governance structure provides for Council to receive and approve various quarterly reporting, financial policies, and audit findings. Council is ultimately responsible for approving the City's budget, appointing the auditor, and providing general financial authority and oversight.

MANAGEMENT DISCUSSION AND ANALYSIS

FINANCIAL PLANNING & REPORT **PROCESS**

Based on the input from Council, staff, citizens, and other stakeholders, Council establishes a five-year financial plan each year as required by Section 165 of the Community Charter. The Financial Plan includes the required revenues to fund the Municipality's delivery of desired programs and services to the community and represents Council's priorities as identified in their Strategic Plan. From year to year, services may be altered when Council identifies a clear need. The operating budget is prepared on a modified accrual basis where revenues are recognized in the period they are deemed available and measurable to meet or pay for liabilities. The operating budget does not include revenue from contributed assets, gains or losses on disposal of tangible capital assets, or amortization expense. Council also establishes an annual capital budget as part of the 5 year financial plan. Project items for the current year are carefully reviewed on a project basis and funded through DCC, Community Works Funds (Gas Tax funding), reserve transfers, and other sources. As is normal, a portion of the capital budget is carried forward for projects not completed within the fiscal year so budgets are not directly comparable with current year actual amounts.

ACCOUNTING **PROCESS**

The City is organized into various departments each supplying specific services to the City and its residents. Each department is responsible for the delivery of their services in accordance with the resources allocated to the programs each department delivers. While all departments share a common accounting and reporting system, financial and accounting services are administered within the Finance Department to each department. The Finance Department is responsible for recording, reporting and forecasting the City's financial activities. To aid in decision making, the Finance Department provides management and Council with regular quarterly financial reports. The preparation of the annual financial reports for an audit is also a responsibility of the Finance Department.

AUDIT PROCESS

As per Section 169 of the Community Charter which requires municipal council to appoint an independent auditor, the City of Abbotsford's 2016 financial statements have been audited by KPMG LLP. The goal of the independent auditor is to provide reasonable assurance that the financial statements of the City of Abbotsford for the fiscal year ended December 31, 2016 are free from material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used, assessing significant estimates made by management, and evaluating the overall financial statement presentation. Following a comprehensive audit process, working closely with Management, the auditor issued an unqualified opinion that the City of Abbotsford financial statements for the year ended December 31, 2016 are fairly presented in conformity with Canadian generally accepted accounting principles. The independent auditors' report is presented as the first component of the audited financial statement section of this report.

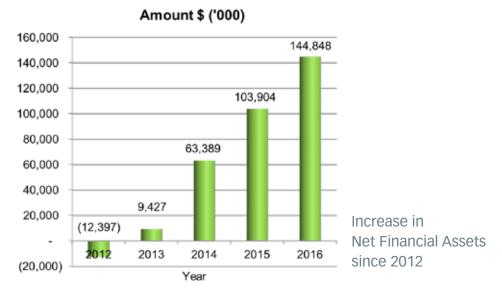

CONSOLIDATED STATEMENT OF FINANCIAL POSITION

Consolidated Statement of Financial Position (\$ millions)	2016 Actual (\$)	2015 Actual (\$)	Difference (\$)
Financial Assets	332.2	282.4	49.8
Financial Liabilities	(125.4)	(111.9)	(13.5)
Long-term Debt	(61.9)	(66.5)	4.6
Net Financial Assets	144.9	104.0	40.9
Tangible Capital Assets	1,389.2	1,407.2	(18.0)
Inventories and Prepaid Expenses	2.4	1.6	8.0
Non-Financial Assets	1,391.6	1,408.8	(17.2)
Accumulated Surplus	1,536.5	1,512.8	23.7

MANAGEMENT DISCUSSION AND ANALYSIS

NET FINANICAL ASSETS

A key indicator in assessing the financial health of a local government is its net financial assets (financial assets less liabilities). Net financial assets is a measurement of the available financial resources that the City has to finance future operations. Net financial assets increased by \$40.9 million during 2016, from \$104.0 million of net financial assets (2015), to \$144.9 million of net financial assets at the end of 2016. The majority of the increase is coming from two main sources – higher balances in portfolio investments and reduced long-term debt. Reduced capital expenditure requirements in 2016 resulted in additional cash that increased both capital and operating reserve levels.

CASH & PORTFOLIO INVESTMENTS

Cash and portfolio investments have increased by \$57.3 million during 2016. This is mainly due to reduced capital expenditure requirements in 2016. The majority of the portfolio investments are made up of short-term investments. Investment maturities are being kept short in anticipation of gradually increasing yields over the next couple of years.

LONG-TERM DEBT

Total debt repayments of \$4.6 million were made in 2016. This includes an early debt repayment for last of the water/sewer debt issues (\$1.3 million) leaving no debt in water and sewer areas. Total long-term debt at the end of the year was \$61.9 million (2015 - \$66.5 million) and it belongs to the general fund. Exhibit 5 provides more detailed information on each debt currently held by the City.

ANNUAL DEBT SERVICING CAPACITY

The Community Charter (Section 174) imposes a limit to the amount a municipality may borrow - the "legal debt servicing limit". In 2016, the City's legal debt servicing limit was \$54.6 million, and the annual debt servicing was \$6.8 million. The remaining debt servicing capacity of \$47.8 million represents the amount of additional annual debt servicing costs the City could incur, if it chose, while still remaining within the debt servicing limit prescribed by the Community Charter.

NON-FINANCIAL ASSETS

Non-financial assets are comprised of capital assets, inventory and pre-paid expenses. The net book value of tangible capital assets is decreased by \$18.0 million in 2016 to \$1,389.2 million (or \$1.39 billion).

Category	2016 Change \$ (in millions)	Dec. 31, 2016 \$ (in millions)
Land & land improvements	\$ 1.7	\$ 392.1
Park improvements	6.5	23.8
Buildings	(2.3)	113.4
Machinery & equipment	(1.2)	7.8
Vehicles	(0.6)	11.3
Airport	(1.0)	27.0
Water	(1.5)	231.1
Sewer	(3.6)	160.1
Transportation	(7.9)	204.0
Storm drainage	(1.6)	184.6
Dyking, drainage & irrigation	(0.7)	20.9
Assets under construction	(5.8)	13.1
Total non-financial assets	(\$ 18.0)	\$ 1,389.2

MANAGEMENT DISCUSSION AND ANALYSIS

ACCUMULATED SURPLUS

FINANCIAL

Equity in financial assets is determined by the amount of financial assets less liabilities (excluding long-term debt). Financial equity for the year ended December 31, 2016, records an increase of \$36.3 million (2016 - \$206.8 million vs 2015 - \$170.5 million). This increase is mainly due to reduced capital spending in 2016 and having higher balances in cash and portfolio investments

TANGIBLE CAPITAL ASSETS & OTHER NON-FINANCIAL ASSETS Equity in non-financial assets is determined by the amount of capital and other non-financial assets, less long-term debt. Equity in non-financial assets decreased from \$1,342.2 million in 2015, to \$1,329.6 million in 2016. The decrease of \$12.6 million was due to amortization expense exceeding the value of new capital investment for the year and the retirement of debt principal.

CONSOLIDATED STATEMENT OF OPERATIONS

Consolidated Statement of Operations (\$ millions)	2016 Actual (\$)	2015 Actual (\$)	Difference (\$)
Revenue	248.7	255.5	(6.8)
Expenses	(225.0)	(218.3)	(6.7)
Annual Surplus	23.7	37.2	(13.5)

REVENUE

The total consolidated revenue is lower than budget and prior year by \$13.6 million and \$6.8 million, respectively. Grant budget included potential revenue for one of the major road projects that has been delayed and no grant funding was received in 2016 for this budgeted project. The City received \$9.4 million in contributed tangible capital assets in 2016 which are roads, water mains, and storm drainage, etc. In 2015, contributed capital assets were \$19.7 million. The city does not budget for contributed tangible assets as they are difficult to predict.

EXPENSES

The total consolidated expenses are \$28.3 million more than budget for the year. This is made up of \$42.7 million of amortization expense. It is a non-cash expense and the City does not budget for this category. Compared to last year, total expenses are higher by \$6.7 million. Abbotsford Centre had 20 more events compared to 2015 leading to higher operating costs.

General, Waterworks, Sanitary Sewer, and Airport funds, listed below, provide more detailed information on 2016 expenses.

ACCUMULATED ANNUAL SURPLUS

On a consolidated basis, the City experienced an annual surplus of \$23.7 million in 2016, reduced from \$37.2 million in 2015. Out of \$23.7 million, \$9.9 million was recorded as an unappropriated surplus in three funds. With management discretion, it was transferred to capital reserves for new initiatives and replacement of future infrastructure.

Note 13 Accumulated Surplus details the sources of the consolidated annual surplus for 2016:

Category	\$ (in millions)
General operating reserve	5.6
Capital Reserves:	
General	13.6
Waterworks	4.4
Sanitary sewer	4.5
Airport	3.6
Non-financial assets:	
Tangible capital assets	(8.7)
Inventory & pre-paid expenses	0.7
Total annual surplus	\$ 23.7

Supporting schedules (Exhibits 1 to 5) and (Schedules A to S) explain fund details and comparisons to budget.

MANAGEMENT DISCUSSION AND ANALYSIS

GENERAL OPERATING FUND - SCHEDULE A

This schedule provides the details of revenues and expenses for the City's general operating fund – essentially everything except water, sewer, airport and capital funds. General operating fund had an unappropriated surplus of \$5.9 million in 2016 (2015 – \$4.8 million) which was transferred to general capital reserve for future infrastructure. The following tables highlight some of the major variances vs budget for schedule A for both revenue and expenses.

Increased Revenue	Amount	Explanation
Building permits	\$1.0M	Building permit revenue higher than budget due to some major building projects throughout 2016
Soil permit revenue	0.9M	Higher than expected activity in soil permits resulted in more revenue than planned
Abbotsford Centre	2.7M	Increased building usage due to more events than planned in 2016
General government	3.4M	Attrition from vacant positions, insurance premium under budget, positive budget variances in other categories including training, licensing fees, repair & maintenance and other supplies
Engineering Services	0.8M	Attrition from vacant positions, reduced vandalism, lower repair and maintenance costs
Storm drainage services	0.8M	Underground storage tank repairs are deferred to 2017 and other annual maintenances are under budget for the year
Abbotsford Centre	(2.4M)	Increased usage due to more events in 2016, overall positive net impact

WATER OPERATING FUND SCHEDULE B

The 2016 change in unappropriated surplus is \$1.9 million and it was transferred to water capital reserve. The user rates revenue is up \$1.0 million vs budget (\$15.6 million). This is primarily due to an increase in the billed water consumption compared to budgeted consumption.

2016 expenditures are lower than budget by \$0.9 million. The water conservation program was under budget reflecting lower numbers of toilet and washer rebates being submitted. Reduced repair and maintenance costs combined with number of attrition from vacant positions also created a positive variance vs budget.

SEWER OPERATING FUND -SCHEDULE C

Compared to budget, the user rate revenue is up \$0.9 million (budget \$10.3 million). This is mainly due to higher sewer usage in the non-residential category.

Reduced expenditures, mainly in Joint Abbotsford-Mission treatment plant (JAMES) and maintenance area, combined with revenue surplus, resulted in an unappropriated surplus of \$2.1 million. A transfer was performed to reclass this surplus to sewer capital reserve.

AIRPORT OPERATING FUND -SCHEDULE D

Airport operations was able to realize a better financial result than planned. Higher than planned annual surplus before amortization allowed the airport to transfer \$0.1 million extra to airport capital reserve (planned - \$2.12 million, transferred – \$2.22 million). Savings mainly due to lower fuel costs.

RESERVES – EXHIBIT 4

This exhibit provides details of the transfers to and from reserves.

CAPITAL RESERVES

Total capital reserves increased by \$26.1 million from 2015 (\$115.3 million) to 2016 (\$141.4 million).

OPERATING RESERVES

The operating reserve increased by \$5.6 million in 2016 to \$41.2 million (2015 - \$35.6 million).

FUTURE OUTLOOK

Financial results in 2016 were mostly in line with budget, meeting expectations of fiscal accountability and exhibiting core City values in the development of fiscal sustainability. The City is fundamentally committed to delivering the right services to residents and businesses in a fiscally prudent manner.

Under the direction and guidance of the City Council, the City of Abbotsford will continue to strive to always provide the best value for its residents and businesses, while ensuring that the City remains flexible and financially sustainable.

AUDITORS' REPORT

KPMG LLP 32575 Simon Avenue Abbotsford BC V2T 4W6 Canada Telephone (604) 854-2200 Fax (604) 853-2756

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the City of Abbotsford

We have audited the accompanying consolidated financial statements of the City of Abbotsford which comprise the consolidated statement of financial position as at December 31, 2016, the consolidated statements of operations, change in net financial assets and cash flows for the year then ended, and notes, exhibits and schedules comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the City of Abbotsford as at December 31, 2016, and the results of its operations, changes in net financial assets and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

The Notes to the Consolidated Financial Statements are an integral part of the financial statements. They explain the significant accounting and reporting policies and principles underlying these statements. They also provide relevant supplementary information and explanations.

1. SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the City conform to generally accepted accounting policies for local government financial reporting in British Columbia. The Consolidated Financial Statements have been prepared in accordance with current standards issued by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

(a) Principles of Consolidation:

With the exception of the Cemetery Care Trust Fund, the Consolidated Financial Statements include all of the funds of the City. Inter-fund transactions, fund balances, and activities have been eliminated on consolidation. The funds of the City include General, Water, Sewer, Airport, Operating, Capital, and Reserve Funds. The Cemetery Care Trust Fund is excluded from the Consolidated Financial Statements and is reported separately. The regional waterworks (supply) and sanitary sewer (treatment plant) utilities, whose ownership transferred from the Fraser Valley Regional District (FVRD) jointly to the City of Abbotsford and District of Mission on January 1, 2005, are consolidated in the City's financial statements, with the District of Mission's minority interest removed.

(b) Fund Accounting:

The resources and operations of the City have been segregated for accounting and financial reporting purposes into the following funds, which are presented as supplementary information:

Operating Funds: Operating funds report the principal activities of General, Water, Sewer,

and Airport operations.

Capital Funds: Capital funds report the acquisition and disposal of property and

equipment and their related financing.

Reserve Funds: Reserve funds report the assets held for specific future requirements.

2016 CONSOLIDATED FINANCIAL STATEMENTS

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

1. SIGNIFICANT ACCOUNTING POLICIES: continued

(c) Financial Plan:

The Community Charter (Section 165) requires revenues and expenses to be in accordance with the five-year financial plan adopted annually by Council. The 2016 Plan amounts in the financial statements reflect the first year of the five-year financial plan adopted by Council on November 16, 2015, with the exception of adjustments detailed in Note 18 to the Consolidated Statements.

(d) Cash and Cash Equivalents:

Cash and cash equivalents include cash as well as deposits in the Municipal Finance Authority short-term money market investment pool. These investments are highly liquid and are readily convertible to known amounts of cash.

Portfolio Investments: (e)

Portfolio investments are carried at cost, with the exception of Municipal Finance Authority pooled investments, which are carried at market value. When, in the opinion of management, there is a permanent decline in value, investments are written down to their net realizable value.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

1. SIGNIFICANT ACCOUNTING POLICIES: continued

(f) **Non-Financial Assets:**

Tangible capital assets, inventories and pre-paid expenses are recorded as non-financial assets. Non-financial assets are not available to discharge existing liabilities and are held to provide City services in future periods. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Intangible capital assets, such as water rights and mineral resources, are not recorded in the financial statements.

Tangible Capital Assets

Capital assets are recorded at cost, net of capital asset disposals, write-downs and amortization. The useful life is applied on a straight-line basis to calculate amortization.

	Major Asset Category	Useful Life Range (years)
General	Land	n/a
	Land improvements	10 - 20
	Park improvements	10 - 50
	Buildings	10 - 50
	Machinery, equipment, vehicles	4 - 20
Infrastructure	Airport	20 - 125
	Water	20 - 75
	Sewer	20 - 75
	Transportation	15 - 75
	Storm drainage and detention	50 - 100
	Dyking, drainage and irrigation	20 - 100

Tangible capital assets, including construction-in-progress, are recorded at cost. Amortization on tangible capital assets begins at the point in time the asset is substantially complete and ready for use. Contributed tangible capital assets are recorded at fair value at the date of contribution using various methods including appraisal, assessed values or in-house estimation.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

1. SIGNIFICANT ACCOUNTING POLICIES: continued

(g) Accrued Liabilities:

Liabilities can arise from contracts and agreements, government legislation, constructive obligations, and equitable obligations.

(h) **Financial Instruments:**

The City's financial instruments consist of cash, accounts receivable, portfolio investments, accounts payable and accrued liabilities, and long-term debt. Unless otherwise indicated, it is management's opinion that the City is not exposed to any significant interest, credit or currency risks arising from these financial instruments. Unless otherwise noted, fair values approximate carrying values.

(i) **Revenue Recognition:**

Sources of revenue are recorded on the accrual basis and recognized when earned. Revenue unearned in the current period is reported on the balance sheet as deferred revenue. Property taxes are recognized as revenue in the year to which they pertain, as authorized by the Council by adoption of the tax rate bylaw.

Expense Recognition: (j)

Expenses are recognized on the accrual basis in the period they are incurred.

Government Transfers: (k)

Government transfers received by the City are recognized as revenue once the transfer has been authorized by the transferring government and the City has met any eligibility requirements (e.g. completion of agreed-upon capital works). However, in cases where stipulations have been imposed by the transferring government on the City with respect to the use or retention of funds already transferred, and those stipulations have not yet been met, a liability is recognized.

Transfers from the City to other agencies are normally granted only in return for services provided to the community. As such, they would be recognized on the same basis as other expenses.

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

1. SIGNIFICANT ACCOUNTING POLICIES: continued

(I) Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported revenue and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the determination of employee post-retirement benefits, liability claims, landfill restoration costs, allowance for doubtful accounts receivable, provision for contingencies, tangible capital asset historical costs pre-2008, and timing of new asset recognition. Actual results could differ from management's best estimates as additional information becomes available. Adjustments, if any, are recorded or disclosed in the financial statements in the period that the change in estimate is made, as well as in the period of settlement.

(m) Contaminated Sites:

Contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard.

A liability for remediation of contaminated sites is recognized, net of any expected recoveries, when all of the following criteria are met:

- a) an environmental standard exists
- b) contamination exceeds the environmental standard
- c) the organization is directly responsible or accepts responsibility for the liability
- d) future economic benefits will be given up, and
- e) a reasonable estimate of the liability can be made.

(n) Comparative Figures:

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior surplus.

Vacation pay	1,327	1,120
Landfill restoration liability	1,074	1,146
Long-term payables	732	732
	\$ 66,981	\$ 63,252

(a) Retirement Allowance Liability:

The City provides certain earned benefits at retirement, including post-employment service pay, accumulated vested sick leave (only applicable to Police Association members), and additional vacation in the year of retirement.

The post-employment service pay is estimated for individual employees, based on projected salary costs at the time of anticipated retirement, and discounting expected pay-outs over estimated years of service. The expected liability is accrued based on a normal retirement age or actual age, whichever is greater. The retirement liability requires no contribution from employees.

In 2016, an independent actuarial valuation of the retirement liability was performed. The actuarial valuation for these benefits was performed to determine the City's benefit obligation as at December 31, 2016. The difference between the actuarially determined benefit obligation of \$12,099,000 and the accrued benefit liability of \$10,569,000 as at December 31, 2016, was an unamortized actuarial loss of \$1,530,000, (2015 loss - \$1,677,000) which is being amortized over a period equal to the employees' average remaining service lifetime. The next actuarial valuation will be as at December 31, 2017.

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

5. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES: continued

(a) Retirement Allowance Liability:

	2016	2015
Actuarial benefit obligation Unamortized actuarial gain/(loss)	\$ 12,099 \$ (1,530)	11,794 (1,677)
Accrued benefit liability	\$ 10,569 \$	10,117

Amortization of net actuarial loss/(gain)	138	25	
Balance, end of year	\$ 10,569 \$	10,117	

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

5. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES: continued

Retirement Allowance Liability: continued

Actuarial Assumptions used to determine the benefit obligation:

_	2016	2015
Discount rate	3.4 %	3.2 %
Expected average annual wage and salary increase - Fire & Police	2.5 %	2.5 %
Expected average annual wage and salary increase - all others	2.5 %	2.5 %

(b) Landfill Restoration Liability:

Closure and post-closure care requirements are established by a number of regulations: British Columbia's Contaminated Sites Regulation and Hazardous Waste Regulation, both under the Environmental Management Act; and BC Ministry of Environment permits.

The two most recent landfills that were operated and closed to various stages from 1978 to 1989 were the Valley Road Landfill and Trethewey Street Landfill. The Trethewey site has been inactive since 1985. The Valley Road site recently re-opened its permit to deposit sediment dredged from the Sumas River.

Costs related to closure and post-closure activities at these sites include drainage control, leachate monitoring and collection, gas monitoring and recovery, final ground cover, closure assessment and planning, and regulatory approvals.

The Trethewey Street Landfill site is expected to require care up to and including the year 2040, primarily for gas collection. Further care requirements may be determined from a closure plan prepared by a qualified independent consultant, as required by BC Ministry of Environment permits. The closure plan should be completed at the end of 2017 or early 2018.

The Valley Road Landfill Closure Plan was largely complete at the end of 2014; however, a 2015 review indicated that the majority of the wood waste had decomposed and therefore, the completion of the closure plan was deferred until the removal of the remaining woodwaste. The Valley Road Landfill site is expected to require care up to, and including, the year 2030, primarily for environmental monitoring and for construction of final cover over the cells now accepting Sumas River sediment. The capacity of the site for river sediment is estimated by the closure plan at 67,500 cubic meters, none of which had been used at the end of 2016. This capacity is projected to be fully used by 2025.

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

5. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES: continued

(b) Landfill Restoration Liability: continued

The liability of \$1,074,000, at December 31, 2016 (2015 - \$1,146,000), is calculated based on the discounted estimated future cash flows associated with closure and post-closure activities for existing waste at the two landfills. An additional \$739,000 (present value) is estimated to be required for closure activities related to future sediment deposits at the Valley Road site; however, since none of the capacity of future sediment deposits have been used, no current liability exists for these closure costs.

The discount rate used in 2016 was 3.4% (2015 – 3.2%) and the inflation rate used in 2016 was 2.0% (2015 - 2.0%). Landfill closure costs in 2016 were \$143,326 (2015 - \$60,025). There are no assets designated for settling the post-closure care liability.

	 2016	2015
Restoration liability, beginning of year Adjustment to liability	\$ 1,146 \$ (72)	1,171 (25)
Restoration liability, end of year	\$ 1,074 \$	1,146

(c) Liability for Contaminated Sites:

The City has determined that as of December 31, 2016, no contamination in excess of an environmental standard exists related to sites not in productive use for which the City is responsible.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

6. RESTRICTED REVENUE LIABILITY:

	Development cost charges	Development fees	Airport fees	2016 Total	2015 Total
Balance December 31, 2015	\$ 24,934	\$ 20,040	\$ 1,414	\$ 46,388 \$	40,847
Add:					
Current year contributions	11,320	1,324	270	12,914	18,179
Interest	408	337	30	775	775
	36,662	21,701	1,714	60,077	59,801
Deduct amounts recognized a	s revenue in cu	rrent year			
Developer charges earned: Capital expenditures	6,620	245	-	6,865	12,203
Airport fees: Eligible airport expenditures		-		-	1,210
	6,620	245	-	6,865	13,413
Balance, December 31, 2016	\$ 30,042	\$ 21,456	\$ 1,714	\$ 53,212 \$	46,388

The restricted revenue liability primarily represents funds received from developers for capital infrastructure and minor capital expenditures required as a result of their development projects. As these funds are expended, the liability will be reduced and the amount expended will be recorded as revenue.

(a) Development Cost Charges (DCC)

Developers are entitled to pay development cost charges (DCCs) in equal installments over three years if the total amount payable is equal to, or greater than, \$50,000. Installments due for the next two years are recorded as accounts receivable and are guaranteed by the developer by providing a letter of credit payable on demand to the City of Abbotsford for the remaining amount of DCCs owing. As at December 31, 2016, the amount of DCCs due over the next two years is \$7,929,140 (2015 - \$10,712,504).

Assets are not physically segregated to meet the requirements of the restricted revenues. The liability will be settled with the proceeds of accounts receivable and/or investments.

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

6. RESTRICTED REVENUE LIABILITY: continued

(a) Development Cost Charges (DCC): continued

	2016	2015
Development cost charges:		
Storm drainage	\$ 11,815	\$ 11,672
Parks	6,698	5,419
Waterworks - supply	7,530	5,384

Sanitary sewer - collection	2,692	2,041
Sanitary sewer - treatment plant	 700	-
	\$ 30,042	\$ 24,934

(b) Development Fees

Development fees are charges collected from developers to fund specified improvements related to proposed developments.

(c) Airport Fees

Airport fees consist of airport improvement fees collected from passengers, and customer facility charges collected from the car rental companies, used to fund the passenger terminal and other capital improvements to airport facilities and grounds.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

7. DEFERRED REVENUE:

	Dec	ember 31, 2015	Externally restricted inflows	Revenue earned	December 31, 2016
Fees and charges	\$	1,852	\$ 8,963	\$ (8,831)	\$ 1,984
Grant		290	9,671	(6,705)	3,256
UFV library lease		183	-	(183)	-
	\$	2,325	\$ 18,634	\$ (15,719)	\$ 5,240

8. LONG-TERM DEBT:

The City carries no debt for others. Debenture debt principal is reported net of repayments and actuarial adjustments balances, and interest expense is reported net of actuarial earnings. All longterm debt is payable in Canadian dollars. Amounts of principal payments estimated to be required in each of the next five years and thereafter are listed below:

	Total
2017	\$ 3,250
2018	3,380
2019	3,515
2020	3,656
2021	3,802
2022 and thereafter	 44,352
	\$ 61,955

All debt is held by the General Capital fund. Interest rates on borrowed funds are disclosed in the accompanying debt schedules (see Exhibit 5). The City's interest expense on long-term debt totaled \$3,407,700 in 2016 (2015 - \$3,541,200).

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

9. INTERNAL FINANCING:

To achieve more financial flexibility and minimize borrowing costs to the fullest extent possible, borrowing between capital reserves is sometimes used in accordance with the legal authority provided under the Community Charter (Section 189). Interest charges equivalent to the interest that would have been earned on the borrowed funds had they remained in the reserve fund are applied annually. However, interest charges are applied to development cost charges only to the extent those interest charges have been authorized by Development Cost Charge (DCC) Bylaw.

From 2009 to 2012, internal borrowing was provided for three road projects which will subsequently be funded through the roads DCC program as DCC contributions are received. The internal financing on two of the road projects enabled the City to take advantage of significant Federal and Provincial infrastructure stimulus grant funding.

In 2013, internal financing was used for projects in the sanitary sewer (treatment plant) DCC program, in order to take advantage of significant grant funds. The repayment of these was completed by the end of 2016.

Roads DCC Sanitary sewer DCC - treatment plant

Airport	26,961	27,995
Waterworks	231,142	232,596
Sanitary sewer	160,102	163,676
Transportation	203,991	211,938
Storm drainage and detention	184,604	186,166
Dyking, drainage & irrigation	20,904	21,634
Assets under construction	13,107	18,924
	\$ 1,389,228 \$	1,407,195

See Exhibit 3 for a continuity schedule of Tangible Capital Assets.

The value of contributed capital assets received and recognized in the year from developers, for various infrastructure works and related land and parks is \$9,403,000 (2015 – \$19,695,000).

Art and historic treasures are held by the City in its museum and arts centre. Due to the subjective nature of the assets, they are not included in the values shown on the financial statements.

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

11. INVENTORIES:

Inventories are valued at the lower of cost and net realizable value, on a weighted average basis. The following table represents the inventory values:

	 2016	2015
Stock	\$ 402	\$ 360
Fuel	41	30
Gravel	 725	622
	\$ 1,168	\$ 1,012

12. PRE-PAID EXPENSES:

Pre-paid expenses are cash disbursements that have been made prior to the related benefits being received. Examples include insurance and software licensing.

	 2016	2015	
General	\$ 1,174	\$ 575	
Abbotsford Centre	 39	24	_
	\$ 1,213	\$ 599	_

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

13. ACCUMULATED SURPLUS:

	2016	2015
Unappropriated Balance		
General operations	\$ 19,57	0 \$ 19,570
Waterworks operations	4,26	5 4,265
Sanitary sewer operations	5,79	9 5,799
Airport operations	1,17	6 1,176
	30,81	0 30,810
Appropriated Surplus		
General operations reserve	41,25	0 35,604
Statutory capital reserves	141,38	1 115,327
	182,63	1 150,931
Investment in tangible capital assets	1,320,63	4 1,329,358
Investment in other non-financial assets	2,38	2 1,611
Total Accumulated Surplus	\$1,536,45	7 \$1,512,710

The Unappropriated Surplus is the amount of Accumulated Surplus remaining after deducting the Investment in Tangible Capital Assets, Investment in Other Non-Financial Assets and the Appropriated Surplus balances. Where this amount is supported by cash and net short-term receivables, it is available to temporarily finance operations until planned revenues (i.e., property taxes, grants, etc.) are received, or for other operating or capital purposes as determined by Council.

Appropriated Surplus is the amount of Accumulated Surplus, supported by a portion of the City's cash and receivables that has been set aside for a specified purpose. The Statutory Capital Reserves have been established by bylaw in accordance with the Community Charter, and their use is restricted by the legislation. In the normal course of operations, these funds will be used to finance the future services or capital works for which they have been appropriated.

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

14. SUPPLEMENTAL CASH FLOW INFORMATION:

The net operating revenue of the City includes the following cash flows relating to interest received and paid:

	 2016	2015
Interest paid	\$ 3,531	\$ 3,667
Interest received	\$ 3,159	\$ 3,033

15. EXPENSE BY OBJECT:

	 2016	2015
Salaries and benefits	\$ 98,449	\$ 95,469
Operating goods and services	54,563	52,295
Minor capital projects	10,631	7,028
Amortization	42,669	44,260
Loss on disposal of tangible capital assets	334	1,143
Transfer payments to other governments and agencies	14,960	14,566
Long-term debt interest	 3,408	3,541
Total expense by object	\$ 225,014	\$ 218,302

16. CONTINGENT LIABILITIES:

(a) Fraser Valley Regional District (FVRD):

The City, as a member of the FVRD, is jointly and severally liable for the net capital liabilities of the FVRD.

(b) Third party claims:

The City is involved in certain legal actions. Although the actual outcome of these claims is currently indeterminable, in 2016 the City reports a liability of \$719,196 (2015 – \$918,191) which, at this time, is management's best estimate of expected future settlements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

16. CONTINGENT LIABILITIES: continued

(c) **Municipal Pension Plan:**

The municipality and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trusteed defined-benefit pension plan. The board of trustees, representing Plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has about 189,000 active members and approximately 85,000 retired members. Active members include approximately 970 contributors from the City of Abbotsford.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate is then adjusted to the extent there is amortization of any funding deficit.

The most recent actuarial valuation as at December 31, 2015 indicated a \$2,224,000,000 funding surplus for basic pension benefits. The next valuation will be as at December 31, 2018, with results available in 2019. Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate with the result that there is no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

The City of Abbotsford paid \$8,738,697 (2015 - \$8,941,835) for employer contributions while employees contributed \$6,885,640 (2015 - \$7,160,403) to the plan in fiscal 2016.

Municipal Finance Authority: (d)

The loan agreements with the Municipal Finance Authority provide that, if the Authority does not have sufficient funds to meet payments on its obligations, it shall make payments from the Debt Reserve Fund which is established by a similar Debt Reserve Fund in the municipality and all other borrowing participants. If the Debt Reserve Fund is deficient, the Authority's obligations become a liability of the Regional District and may become a liability of the participating municipalities.

The Debt Reserve Fund related to any particular debt issue is equal to one-half the average annual principal and interest installment. This amount is payable to the Authority at the time of issue, either in full or in an amount equal to one percent of the principal amount borrowed. The balance is secured by a non-interest-bearing demand note. The monies paid into the Debt

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

16. CONTINGENT LIABILITIES: continued

(d) Municipal Finance Authority: continued

Reserve Fund and interest that the fund earns are obligations of the Authority to its clients.

The City has a cash receivable with the Authority, from the one percent paid to the Debt Reserve Fund, totaling \$1,137,855 (2015 - \$1,187,415). The balance of the City's portion of the Debt Reserve Fund totals \$2,442,730 (2015 – \$2,565,801), for which the City has also executed demand notes in connection with each debenture totaling \$2,442,730 (2015 – \$2,565,801), whereby the City may be required to loan extra amounts to the Authority.

(e) Abbotsford International Airport:

The City of Abbotsford acquired the Abbotsford International Airport from Transport Canada on January 1, 1997, for the nominal cost of ten dollars. Property and equipment transferred to the City were recorded at fair value. Conditions of the transfer agreement require that the property and equipment transferred to the City must be used for the operation of the airport. In the event the City ceases to operate the airport, the property and equipment will transfer back to Transport Canada for proceeds of ten dollars.

(f) Agricultural Land Commission:

In 2005, the City applied to the Agricultural Land Commission (ALC) for a permit (No. MM-36161) to extract aggregate on airport property located in the Agricultural Land Reserve. The application proposed the extraction of approximately 150,000 cubic metres of aggregate over approximately 9 hectares of the site. After extraction is complete, the property will be reclaimed as specified in a report from a Professional Agrologist. To ensure successful reclamation, the ALC required a financial security of \$250,000 be posted in favour of the ALC.

17. CONTRACTUAL OBLIGATIONS:

Contracts entered into and not complete at the end of the fiscal year will become liabilities once the terms of the contracts are met. The nature and extent of the related expenditures are as follows:

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

17. CONTRACTUAL OBLIGATIONS: continued

	_	extent of ontracts	R	stimated Remaining openditure
Drainage construction	\$	948	\$	677
Parks construction		1,110		508

Vehicles & equipment		2,656		2,384
Waterworks construction		5,866		2,589
	\$	10,924	\$	6,214

18. 2016 PLAN:

The budget data presented in these consolidated financial statements was included in the City of Abbotsford 2016-2020 Financial Plan, adopted through Bylaw No. 2533-2016 on May 9, 2016. The following table reconciles the approved budget to the budget figures in these consolidated financial statements:

Davisson	2016
Revenues:	
Consolidated budget	\$ 269,640
Expenses:	
Consolidated budget	181,092
Against sometime and against developed	00 5 4 0
Annual surplus per approved budget	88,548
Less:	
Minor capital expenses	(17,944)
Collections for other governments	 (4,904)
Annual surplus per Statement of Operations	\$ 65,700

19. CEMETERY CARE TRUST FUND:

The Cemetery Care Trust Fund is excluded from the Consolidated Financial Statements and is reported separately. The City administers the Cemetery Care Trust Fund for the perpetual care and maintenance of City-owned cemeteries. As at December 31, 2016, the trust fund balance is \$3,699,706 (2015 - \$3,574,394).

For the year ended December 31, 2016 (Tabular amounts are in thousands of dollars)

20. CITY SERVICES FINANCIAL INFORMATION:

This information enhances the transparency of financial reporting and supplements broader-based fund information. The service information helps with understanding the City organization and how it discharges its accountability obligations, and helps to understand performance and to make informed judgments about the major services provided. Major services and their functional responsibilities are described below:

General Government Services

Legislative and support services

Legal services

Strategic planning, corporate communications &

marketing

Human resources

Financial services

Information technology

Purchasing & supply services

Risk management

Economic development

Continuous improvement

Fire Rescue Services

Emergency incident response

Firefighter training

Fire inspections and investigations

Fire safety programs Medical assistance

Police Protection

Community policing
Criminal investigations

Omman mvcstige

Patrol

Victim services

Traffic safety

Crime prevention

Community outreach

Other Protective Services

Search and rescue

Restorative justice

Building inspections

Bylaw enforcement

Engineering

Transportation infrastructure

(plan, design, construct, maintain)

Mapping and survey

Fleet vehicles

Soil, gravel and rock removal management

Parks, Recreation & Culture

Recreation facilities and programs

Parks and open space

Health and wellness

Cemeteries

Cultural Centre

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

AUDITORS' REPORT:

CEMETERY CARE TRUST FUND

KPMG LLP 32575 Simon Avenue Abbotsford BC V2T 4W6 Canada Telephone (604) 854-2200 Fax (604) 853-2756

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the City of Abbotsford

We have audited the accompanying financial statements of the City of Abbotsford Cemetery Care Trust Fund which comprise the statement of financial position as at December 31, 2016, and notes comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Transfer to general operating fund	(114)	(101)
Balance, end of year	\$ 3,700	\$ 3,575

NOTES TO THE CEMETERY CARE TRUST FUND

For the year ended December 31, 2016 in thousands

1. SIGNIFICANT ACCOUNTING POLICIES:

The Cemetery Care Trust Fund is administered by the City of Abbotsford for the perpetual care and maintenance of the City-owned and operated cemeteries. The accounting policies of the Cemetery Care Trust Fund conform to generally accepted accounting policies for municipal financial reporting in British Columbia.

(a) Basis of accounting:

The operations of the Trust are accounted for on an accrual basis.

(b) Portfolio Investments:

Portfolio investments are carried at cost.

(c) **Financial Instruments:**

The City's financial instruments consist of portfolio investments, accounts receivable and accounts payable. Unless otherwise indicated, it is management's opinion that the City is not exposed to significant interest rate, currency or credit risks arising from these financial instruments.

2. ACCOUNTS RECEIVABLE/PAYABLE:

All accounts receivable/payable are the amounts due from, or to, the General Fund of the City of Abbotsford. The amounts accrue interest at the average rate of return of the investments held by the consolidated investment portfolio held in the City's General Fund.

NOTES TO THE CEMETERY CARE TRUST FUND

For the year ended December 31, 2016 in thousands

3. INVESTMENTS:

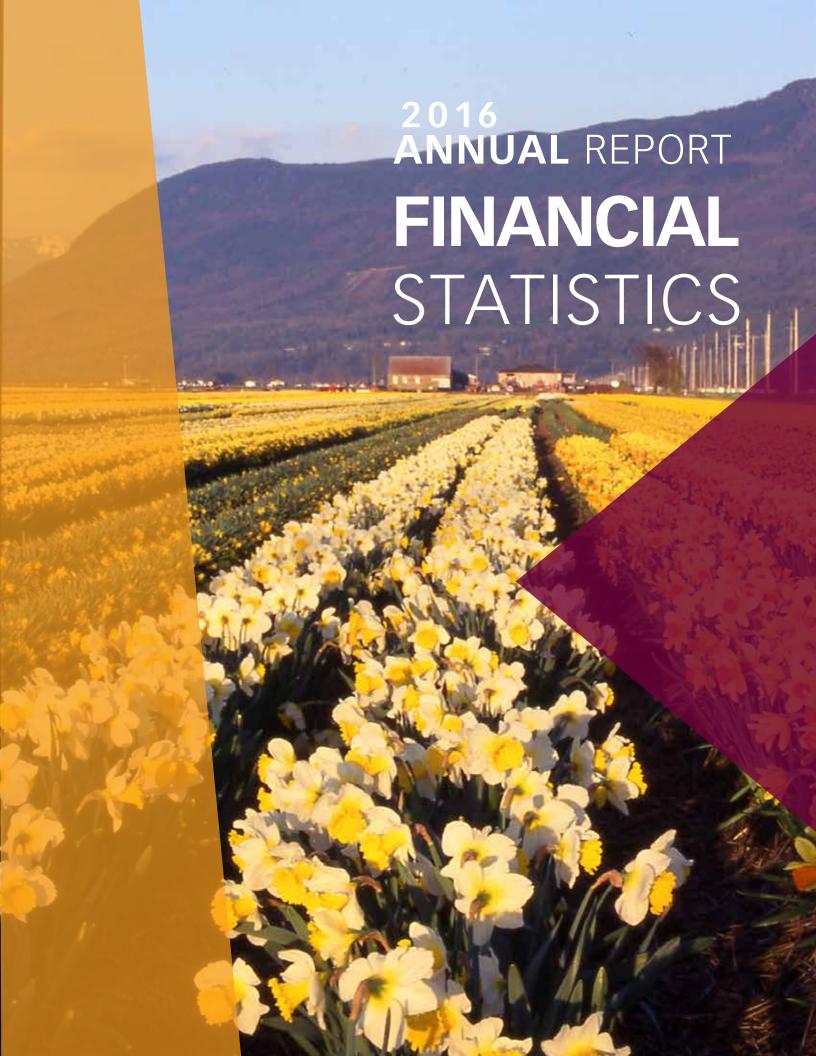

Investments for 2016 are comprised of corporate and government investments.

(in thousands)	20	16	2015					
	Cost	Market	Cost	Market				
Portfolio investments	\$2,484	\$2,529	\$3,496	\$3,593				

	Long-term	Long-term
Duration	2 – 10 Years	2 – 10 Years
Average holdings	\$2,994	\$3,428
Annual yield	3.69%	2.87%

4. STATEMENT OF FINANCIAL ACTIVITIES:

In 2002, the Cemetery Care Trust Fund began expending funds on the perpetual care and maintenance of the City's cemeteries. In 2016, \$114,000 (2015 - \$101,000) was transferred to the general operating fund for cemetery operations. Contributions and investment earnings for the year ended December 31, 2016, are recorded directly to equity. A Statement of Financial Activities has not been prepared, as it would not provide further information since the changes to equity are reported in the Statement of Financial Position.
