Jillian Glover

Jillian Glover is a communications specialist in transportation and urban issues. She is a former Vancouver City Planning Commissioner and holds a Master of Urban Studies degree. Jillian writes about urban issues and family-friendly cities at her blog, This City Life - named one of the best city blogs in the world by The Guardian.

Charles Montgomery

Charles Montgomery is an award-winning author, urbanist, and leader of a consultancy building more happiness into cities. In psychology, neuroscience, and behavioral economics, and in places from Disneyland to Dubai, he explores the link between the ways we design our cities and the ways we think, feel, and act.
