First Stage is a **90** day program

As we plan for the future and a new build to replace this aging house, our clients don't want us to give up the feeling of "home". Here, clients live, learn, work their program and develop skills for independent living.

**Second Stage Melmar:** Operating since 2013 as Supportive Recovery for up to 5 clients. Sober Living with accountability and the “watchful eye” of a House Monitor. Currently vacant for painting, bathroom and kitchen updates.

## **Second Stage, Westerly:**

Same program as Melmar. Extensive renovation to exterior and interior required after 2021 flood. Clients moved back in on September 15, 2022 and we are operating at 50% capacity holding space for current First Stage clients who will be completing their program.
