Mill Lake

Mill Lake has something to offer everyone. You'll find everything from quiet picnic areas to an impressive spray park and playgrounds for children. Being one of the most popular parks for walkers, joggers and fisherman, Mill Lake is a great location if you want to get out and stroll around a beautiful lakeside setting. Enjoy a few laps around the two kilometer path which circles the lake while viewing the variety of birds which make this area their home. Relax in one of the lakeside benches or enjoy an incredible view of Mt Baker from the floating boardwalk.
