The Community Energy Association, BC Hydro, FortisBC, Province of BC, Real Estate Foundation of BC and the Union of BC Municipalities are pleased to present the outstanding applications for the 2020 Climate & Energy Action Awards:

- **City of Abbotsford** Green Fleet Strategy
- **Cowichan Valley Regional District** Climate Risk Assessment Framework for Infrastructure
- **Village of Kaslo** Streetlight Retrofit Project
- **City of Nanaimo** Climate Change Resilience Strategy
- **City of North Vancouver** Accelerating the Transition to Zero Emission Vehicles
- **District of North Vancouver** IMPACT2050: Community Energy and Emissions Plan
- **City of Powell River** Climate Action in a Small Coastal Town
- **District of Saanich** 2020 Climate Plan: 100% Renewable & Resilient Saanich

We commend the strong leadership and bold action taken by our communities. Congratulations to all our nominees and best of luck.

Winners will be announced during the Union of BC Municipalities virtual convention in September 2020.
