

# Neighbourhood Spirit Small Grant Funds Program

## Applications open February 13, 2019

Neighbourhood Small Grants support people who want to make their neighbourhoods better places to live. We give grants up to \$1000 to support projects that bring people together, share skills and knowledge, build a sense of belonging and responsibility, and respect and celebrate diversity. Want to make your neighbourhood even better? Plan to do anything from a community clean-up, a chess club for kids, or even a neighbourhood street hockey tournament!

**Apply online at [abbotsford.ca/neighbourhoods](http://abbotsford.ca/neighbourhoods). Deadline to apply is April 9, 2019**
