

Water data at your fingertips!

The City of Abbotsford is launching a beta version Water Wise portal. The Water Wise Portal is a valuable tool for tracking your water use and managing your consumption. It is free to use and available to all MyCity Online account holders.

What you can do:

- ⦿ View your water use broken down by month, day or hour.
- ⦿ Set a monthly budget goal.
- ⦿ Compare your water use to the average use in your neighbourhood.
- ⦿ Easily identify a leak or problem.
- ⦿ Notify City water staff directly regarding your usage and account.
- ⦿ Find out about conservation programs and rebates.

Try it out and tell us how you like it!
