

Request for Civic Address

A civic address is only assigned for new structures, i.e. new dwellings that require a house number for separate access and Emergency Response. Vacant lots or accessory buildings such as sheds, or barns do not require a civic address. There is no charge for a new address; to change an existing address, the fee is \$100 plus tax.

Legal Description of Property:

P.I.D. _____

If this property is a corner lot, please indicate the street name the front door faces:

Name of property owner:

Email Address:
