But your ideas are real!

As part of the City’s Official Community Plan update, we’re looking for your input to make Abbotsford better. It’s your opportunity to comment on everything from housing and land use to city design and transportation. How can we make our city more liveable? What can we improve?

Don’t miss your chance to have a say.

There are several ways to tell us about your vision for the future. Check out the events and details below to participate!

- Share your community vision
- take our brief online survey.
- Meet a Community Planner
- attend one of our Road Show events.
- Chat with your Neighbours
- host a Citizen Circle.
- Talk & Walk
- participate in a Neighbourhood Walk

Don’t worry, Raj, Mike and Julie are all made up characters so their ideas are fictional.
