

PARKS + PLAZAS

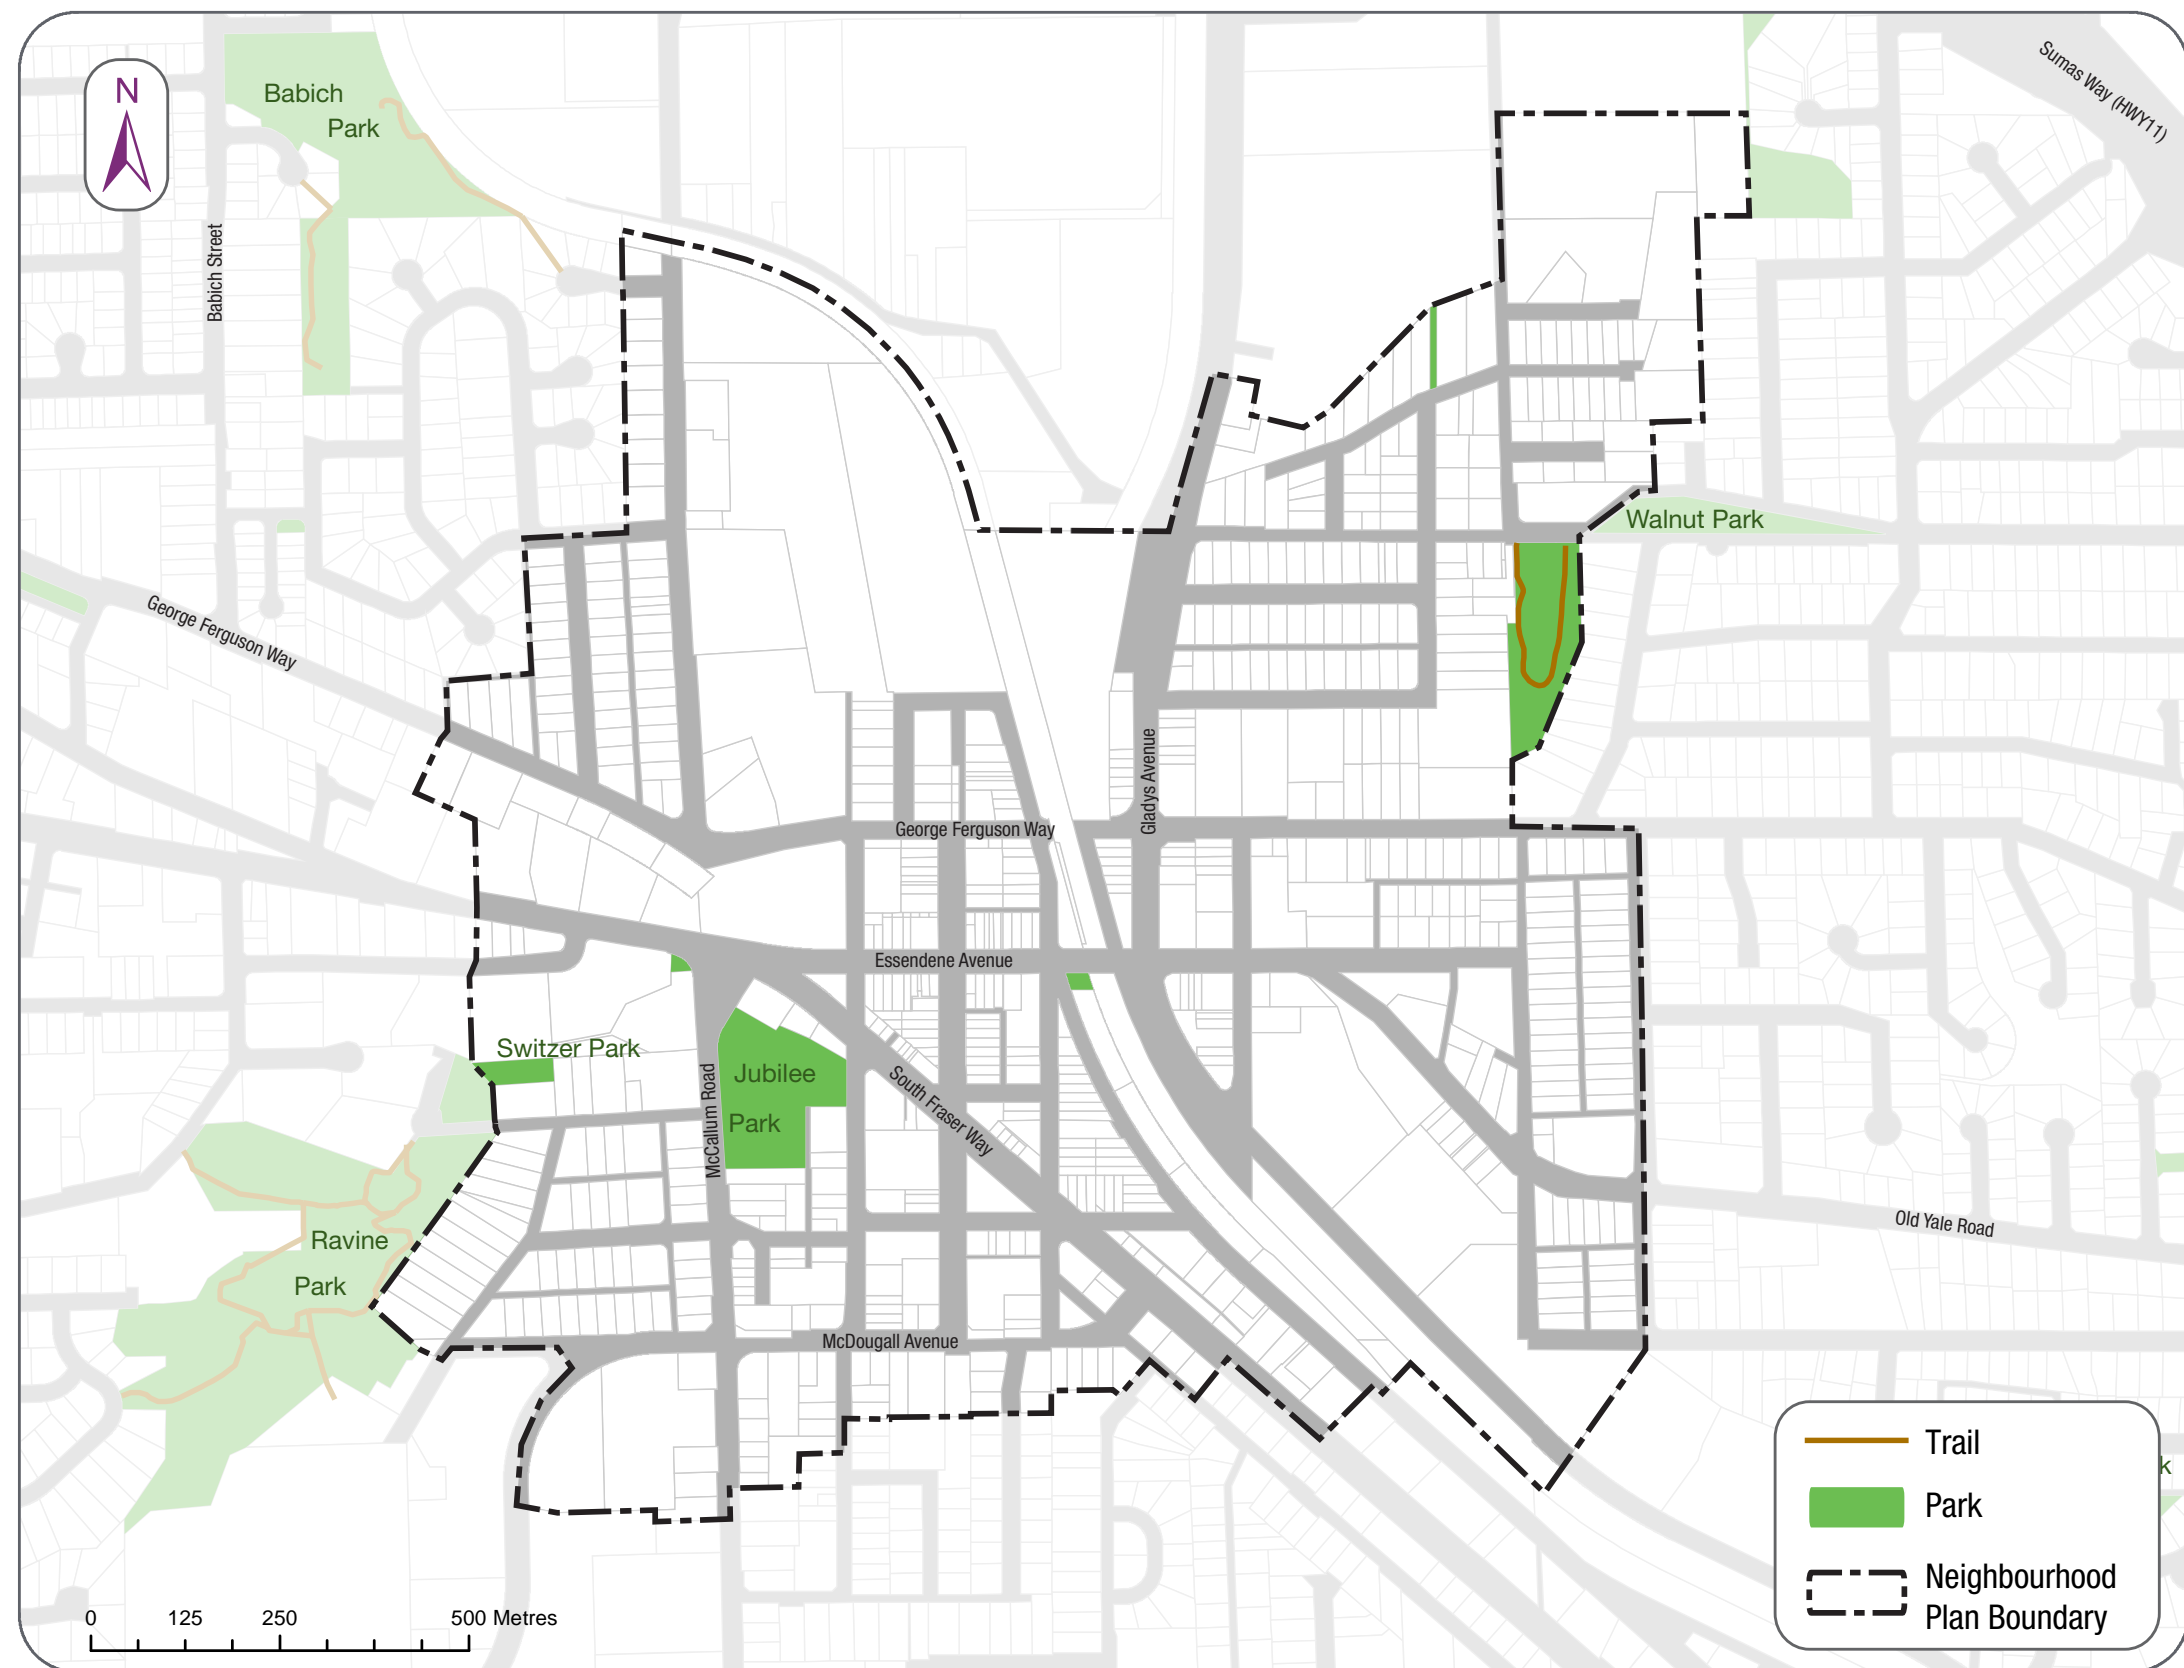

HISTORIC DOWNTOWN NEIGHBOURHOOD PLAN

It is an exciting time for Abbotsford's Historic Downtown. The City is working with the community to develop a vision for the future of this neighbourhood, and a plan that will help bring the vision to life.

Abbotsford's Official Community Plan aspires to support a diverse and dynamic system of parks, trails, urban places and people-friendly streets that bring people together, enable recreation and play, support creative and cultural expression, and more.

This plan will influence parks and plazas including their potential form, character, programming and location. The input you provide today will help inform the plan.

Today

Parks and trails in historic downtown.

Today, the historic downtown is home to a number of parks with a variety of programming. Jubilee Park is a key park and hosts active and passive recreation, as well as festivals and events. A number of businesses have sidewalk patios, however plaza spaces are limited.
