

RECOMMENDATIONS

- Water can only be used for **FLUSHING TOILETS** at this time.
- **DO NOT use water for:**
 - DRINKING
 - COOKING
 - MAKING ICE
 - BRUSHING TEETH
 - WASHING READY TO EAT FOODS
 - WASHING DISHES
 - MAKING INFANT FORMULA
 - BATHING
- **Use alternate sources of water such as bottled water or water from unaffected water systems.**
- Note: Most household type water filters will NOT remove microbial contaminants.
- Please share this information with all the other people who drink this water especially with anyone you think may not be aware of this notice.

OBLIGATION OF OWNERS OF PUBLIC PREMISES

Owners of public premises served by this water system must:

- a. Notify the public that the water is not potable water by posting a sign at every sink or drinking water fountain accessible to the public;
- b. If normal business practices provide an opportunity, verbally advise any person who may use the domestic water system for a domestic purpose that the water is not potable water.

DURATION OF THIS ADVISORY

This Notice remains in effect unless and until another public notice is issued advising that the Notice has been amended or may be rescinded. The City of Abbotsford will issue notification when water quality has been confirmed and when you can once again drink the tap water. Please look at www.abbotsford.ca for updates.

QUESTIONS
