

Memorial Marker Information

Memorial markers (also known as headstones, or monuments) for placement in the cemetery can be purchased from a monument company.

You can find a selection of monument companies using online resources.

Bronze memorial plaques for interments in the Columbarium, Scatter Garden and Ossuary are purchased through the City.

The Cemetery staff places all memorial markers, provided the installation/permit fee is paid.

Interment (open & close) _____	\$1645
Grave Liner (required) _____	\$458

The Cemeteries of Abbotsford

The City of Abbotsford owns and operates four cemeteries: Hazelwood, Musselwhite, Mt. Lehman and Aberdeen.

Hazelwood Cemetery

Located at 34070 Hazelwood Avenue just east of the Abbotsford-Mission Highway. Hazelwood has a wide variety of services currently available.

Musselwhite Cemetery

Located at the intersection of Marshall Road and 35000 block of Old Yale Road. Currently, there are limited interment options at Musselwhite.

Mt. Lehman Cemetery

Located at 29000 block of Taylor Road in the historic farming area of Mt. Lehman. A wide variety of options are available at Mt. Lehman due to a recent expansion of the cemetery.

Aberdeen Cemetery

Located at 28417 Fraser Highway close to Aldergrove. Currently there are limited opportunities to purchase at Aberdeen.

Cremation Options

In-Ground Cremation

Cremation lots are 2' x 2' and can accommodate up to 2 urns per grave site. In-ground cremation lots are available at all four City cemeteries.

Right of Interment (single lot) _____	\$1348
Right of Interment (double lot) _____	\$2023
Interment (open & close) _____	\$520
Liner (required) _____	\$146

Columbaria (Niche Walls)

A Columbarium is an above-ground, multi-level structure composed of a number of niches to house cremated remains. Niches are 12" x 12" x 16" and can be purchased for single or double occupancy. The Columbarium option is available at Hazelwood and Mt. Lehman cemeteries. 15% discount on bottom two rows.

Right of Interment single _____	\$2551
