

DAUGHTERS OF HOPE

S O C I E T Y

WHO WE ARE

- ❖ Daughters of Hope was established in 2002 for the purposes of supporting orphans and single mothers affected by wars and HIV/AIDS epidemic in Kenya and Uganda
- ❖ Coordinating monthly meetings for new and existing immigrants
- ❖ Provide peer-to-peer support and create an environment of community integration and inclusion

CONNECTIVE HOUSING

VISION

Daughters of Hope Resources is a black-led society

- ❖ **Our mandate is to empower underserved black, newcomers, and racialized youth, adults, and families, in the areas of navigating social services, housing, and financial empowerment**
- ❖ **We aim to address the unique challenges pertaining to housing and lack of wrap-around support.**
- ❖ **We desire to support individuals and families integrate and thrive in their communities.**

CHALLENGES

- ❖ Language barrier
- ❖ Cultural sensitivity support
- ❖ Unrecognized educational and professional credentials
- ❖ Lack of Canadian work experience
- ❖ War trauma

We See You!
