We gratefully acknowledge that we are gathered on the unceded, traditional, and ancestral lands of First Nations in this place currently known as British Columbia where we work and live.

First Nations have been stewards of this land for all time and we give thanks as uninvited guests on these lands.

A group of people in a room, some sitting and some standing, with one person raising their hand. The scene is dimly lit, suggesting an indoor setting like a classroom or meeting room. The background shows a whiteboard or wall with some papers or posters. The overall atmosphere is one of an interactive session or workshop.
