

APRIL IS COMMUNITY CLEAN UP MONTH!

Community Clean-up Month is a great way to get involved in volunteering, contribute to environmental stewardship in our community, encourage social responsibility, helps beautify our neighbourhoods and is a great way to celebrate Earth Day.

Last year over 3,200 residents participated in this beautification initiative. Abbotsford residents are encouraged to pick litter up around their workplace, school, parks, trails and streets from **April 1 – 30th, 2026.**
