

Mr. Singh's journey with Alzheimer Society

BC & YUKON

online program options

family involvement – daughter's journey

- Mr. and Mrs. Singh's daughter learns more about dementia and the changes they may see.
- She attends education sessions and panel discussions.
- She gains knowledge, support and tools to help her family with confidence.

building community & giving back

- The daughter joins our Lived Experience Panel.
- She shares her experiences as a caregiver.
- She advocates for people living with dementia and care partners, helping shape better support for all.

We continue to support Mr. Singh and his family through every stage of their journey.
