

## Notice of Public Information Meetings

The public is invited to attend the following public information meetings which will be held in the format of an "Open House". The public can arrive anytime between the hours of 6:00 pm and 8:00 pm on the dates and locations noted below. This will be an opportunity for the public to provide input on draft regulations for cannabis retail stores.

Currently, the Zoning Bylaw does not permit cannabis retail stores in Abbotsford, and staff are working on establishing the rules moving forward. Attend an open house to provide your thoughts on possible store locations, number of stores, application process and other considerations.
